Mc Graw Hill ALEKS®

1999

Inception of ALEKS!

ALEKS (Assessment and Learning in Knowledge Spaces) is launched, offering an innovative, adaptive learning platform developed by researchers at the University of California, Irvine.

2008

Introducing: ALEKS Chemistry

ALEKS begins offering General Chemistry I.

2010

Release of ALEKS 360

ALEKS 360 launches, providing a complete digital learning solution that includes textbooks, adaptive learning, and assessment tools in one package.

2013

Release of ALEKS PPL

The first version of ALEKS Placement, Preparation and Learning is released for math placement and prep.

2019

Development of ALEKS Insights

ALEKS introduces ALEKS Insights, an advanced analytics tool designed to provide educators with deeper insights into student performance and learning patterns.

Launch of new ALEKS Homework, Tests, and Quizzes

The ALEKS Assignments feature was redesigned completely and released with textbook content, kicking off the ability to blend adaptive and non-adaptive content.

2023

AI and Machine Learning Advancements

The ALEKS team delivered the latest in a long list of improvements to the ALEKS A.I. by shortening the Initial Knowledge Check by 9%, without losing efficacy!
