An Italian Text Ahead of the Rest!

Avanti! Beginning Italian takes a modern approach to introductory Italian that fosters communication and motivates students to succeed. *Avanti!* is known for its focus on the most critical language for communication, an active presentation of vocabulary and grammar, systematic review and recycling, and inclusion of real-world culture. Students not only learn Italian, they develop a deep appreciation for Italian culture.

This edition also includes:

- A **student workbook** that provides extensive practice of Strategie, Lessico, and Strutture material presented in the textbook.
- **Connect®** features **auto-gradable** and **interactive assessment material** tied to learning outcomes as well as the **LearnSmart®** adaptive learning system.
- **Grammar Tutorial Videos** for each chapter accessible through **Connect**.

PERSONALIZED LEARNING FOR BEGINNING ITALIAN

LearnSmart is the only adaptive learning tool on the market that is proven to significantly improve students' learning and course outcomes. With *LearnSmart* modules, students have a study tool that helps them master the concepts that they don't already know, and provides additional practice in areas where they most need help. As students work on each chapter's grammar and vocabulary modules, *LearnSmart* identifies the main grammatical structures and vocabulary words that students are struggling with the most and provides the practice needed for mastery.
