Building Citizenship: Civics and Economics

Remy • Patrick • Saffell • Clayton

Prepare your students for citizenship in today's world with the first fully integrated print and digital learning experience for civics and economics

- Focus on the big ideas with content built around **Essential Questions**
- Aligns with the **Center for Civic Education's National Standards for Civics and Government** and the **Council of Economic Education's National Standards**
- Make relevant, real-world connections with **The Story Matters** chapter openers, **Real Life Civics**, **Teen Citizens in Action**, **Landmark Supreme Court Cases** and **service learning activities**
- **Reading Help Desk** appears in each lesson to assist students with reading strategies, note-taking activities and graphic organizers, and content and academic vocabulary
- Build critical thinking skills with **You Decide**, **Being an Active Citizen**, **Why It Matters**, and **21st Century Skill Activities**
- Bring Civics to life with high interest, cumulative **Hands-On Chapter Projects** that provide authentic performance assessment. Each project includes an additional Technology Extension activity
