Program Overview

McGraw-Hill networks™

MEETS YOU ANYWHERE— TAKES YOU EVERYWHERE

A Groundbreaking NEW
Social Studies Learning System

McGraw-Hill networks™ meets you wherever you are today in the use of classroom technology and takes you wherever you're going on the digital spectrum. Whether your school uses print, digital, or a combination of both, **Networks** combines resources into a seamless educational experience.

- Trusted core print Student Edition and Teacher Edition
- Dynamic digital resources for students and teachers
- Robust management, communication, and collaboration tools

Based on the research of Jay McTighe, co-author of Understanding by Design, this program uses research-based practices to maximize student comprehension and engagement.

Each link in the **Networks** program provides you with the content and tools you need.

- Powerful, standards-based curriculum to ensure mastery
- Hands-on, interactive activities to bring abstract concepts to life
- Project-based learning opportunities to increase critical thinking, engagement, and academic skill development

WHO'S IN YOUR NETWORK?

Engage Students With Today's Learning Tools

Networks gives students interactive and engaging print and digital resources to understand and interact with history, geography, economics, government, and culture in ways they never have before.

- ⊙ Discover new people and learn their stories
- ⊙ Experience new places and historic events
- ⊙ Make connections with important people across time and "add" them to your network

> " The audio and visual aspects of the student edition would be excellent for students because it engages them. They are not merely looking for information and writing it down. They are involved in the learning process. "

All the Content and Tools Students Need for Success—Anywhere, Anytime

- ⊙ Read in print and online
- ⊙ Take notes online
- ⊙ Submit assignments
- ⊙ Access digital resources
- ⊙ Plan and organize online
- ⊙ Connect and collaborate

Student Engagement Resources
