ALEKS Sneak Peek!
You may already know Sharpen™, our student study app.

Starting Fall 2026, Sharpen can be integrated into ALEKS, giving students mobile-friendly exam prep and extra practice that complements their ALEKS work!

EXPLORE SHARPEN

Interested in adding Sharpen to your fall ALEKS course? Just reply to this email.

Ask an Implementation Manager
Welcome Susan Piroth!

Q: *My students want to go back and review material they've already worked on in ALEKS. What's the best way to guide them to use Review Mode?*

Susan breaks down the best way to use Review Mode to strengthen retention and confidence.

Get Early Access to the New Instructor Experience

We're inviting a limited group of instructors to preview the new ALEKS instructor experience launching this June. Explore the updated design, test key workflows, and share feedback before it goes live. Interested in seeing it first?

I'm Interested!

Big Ideas. Practical Takeaways.
Join us for an event!

Join us this semester for virtual events designed to help you navigate AI in education, including practical strategies from *Student Success in an AI World*, or attend a session tailored to your discipline, like *The Future of Calculus* or *Mastering General Chemistry with ALEKS*.

Each event is built to give you ideas you can bring straight into your course.

Expert Hacks
Pro Tips from an ALEKS Digital Faculty Consultant

Professor Andrew Kennon shares how adding his own instructor-created resources for students to reference while working in ALEKS has been a gamechanger in his course.

In this quick 40-second video, he explains what he added and why it made such a difference.

Extra Credit—links our team enjoyed this month:

- Reminder! The ALEKS Tools Tutorial and Student Onboarding experience were recently redesigned and you can take a tour of what's new here.
- Looking for a new book to read? Try this list that summarizes all the best books of 2025 in one place.
- You might find this practical guide to Dealing with Difficult Students in Online Classrooms from a fellow Higher Ed instructor handy.
- Need inspiration on what to cook this week? Take a rec from our team!
  - Sweet Potato Lentil Curry with Crispy Sesame Chickpeas, often made by Marilyn Rayner (*Senior Portfolio Manager for Chemistry*)
  - After School Banana Bread, beloved by Audrey Drayton (*ALEKS Implementation Manager*)
  - Caramel Apple Crumb Cake, recommended for breakfast by Nate Anderson (*Executive Marketing Manager for Calc*)

Have a great week!
