

How Do I Access My Connect Instructor Resources?

Step 1: Log into your Connect account.

Go to connect.mheducation.com and log into your account. Even if you're not using Connect for class assignments or assessments, you'll need to select your textbook and set up your course to access instructor resources. Enter your email address and password, then click **Sign In** to get started.

The image shows the Connect Sign In page. At the top left is the McGraw Hill connect logo. In the center, the text "Sign In" is displayed. Below it are two input fields: "Email Address" and "Password". To the right of the Password field is a link that says "Forgot your password?". Below the input fields is a red button labeled "Sign In". At the bottom, there is a small disclaimer: "By clicking 'Sign In', I confirm that I have read and agree to the terms of the McGraw Hill Terms of Use, the Video Viewing Notice, the Consumer Purchase Terms, if applicable, and Privacy Notice."

Step 2: Create a Course

Once you are logged in, locate and click on **Create Course** in the top right corner of the page.

The image shows the Connect "My Courses" page. At the top left is the McGraw Hill connect logo. In the top right corner, there is a "New Experience" toggle switch and a "MG" button. Below the logo, the text "My Courses" is displayed. In the top right corner of the page, there is a red box around a blue button labeled "Create Course". Below "My Courses" is a section titled "Upcoming Releases" with a sub-header "There are scheduled releases coming to one or more of your courses. For more information, review the Release Details." Below this section is a "Current" tab and a "Previous" tab. Below the tabs, it says "Showing 10 of 55 courses". Below this, there is a list of courses. The first course is "Special Projects 26" with a sub-header "Section created May 12, 2026, 12:03 PM" and a "Release 2025" status. To the right of the course list is a "Course Materials" section with a sub-header "Materials" and a "Release Details" link. Below this, there are two items: "Anatomy & Physiology: The Unity of Form and Function" with a "Launch eBook" link, and "Practice Atlas for Anatomy & Physiology" with a "Launch eBook" link.

Step 3: Search and select your book.

Search by discipline, title, author, or ISBN. Narrow the options by using subject, author, or title filters or scroll through the search results. Click on the desired title.
