Step 7: Upon initial launch, agree to the Terms of use and click **GET STARTED**.

Step 8: In the FIND YOUR TEXTBOOK field, enter title, author, or ISBN of your product. Click **FIND NOW**.

Step 9: Once product is located, click **SELECT**.

Step 10: Click on the **CONNECT** button.

Step 11: Enter email address (Connect username). Click **FIND MY ACCOUNT**.

This screenshot shows a modal dialog box titled "Find my account". At the top, it contains instructional text: "If you registered for a McGraw-Hill Education (MHE) online product previously, use that e-mail. Not sure? Enter the e-mail you regularly use for school activities. We'll attempt to find your account. If found, you'll need to complete a few steps to begin using your LMS credentials." Below this text is a text input field containing the placeholder email "most_used@email.edu". To the left of the input field is a "Get help" link, and to the right is a blue button labeled "Find my account", which is highlighted with a yellow hand-drawn circle. At the bottom of the dialog, there are logos for "connect", "LEARNSMART", "create", "eegrity", and "Simnet".

Step 12: If an **existing** Connect user, enter Connect password. Click **Log In**.

*If a **new** Connect user, click Create a new account and follow the steps to complete a new Connect account creation process.

This screenshot shows a modal dialog box for logging in. At the top, it displays a green success message: "Success! Your account has already been registered. Please enter your password to log in to your account." Below the message, the email address "Email: jeremy.t.partacz@mhu.edu" is shown. Underneath is a "Password:" label followed by a password input field containing six dots. To the left of the password field is a "Forgot Password?" link, and to the right is a blue button labeled "Log In", which is highlighted with a yellow hand-drawn circle. At the bottom of the dialog, there are logos for "connect", "LEARNSMART", "create", "eegrity", and "Simnet".

Step 13: Click on, “I want this for my students.”

Step 14: Click on **ADOPT CONNECT**.

Step 15: Select the option, “A section in an existing Connect course.”

Step 16: Select the Connect section and click **SAVE**.

Course pairing has concluded successfully. Single Sign On has now been established with Moodle.
