Blackboard (Original): Student Pairing with Access Code

Video Walkthrough: Click to View

To pair your LMS account with **ALEKS**, follow the steps below.

1. Log into your Blackboard account.
2. Select your course.
3. On the left-side navigation menu, select **Content**.

4. On the **Content** page, select the tool link **ALEKS**. (Note, the name of the tool link may be different for your school and class.)

5. If you have never used ALEKS, select the first option, **No, I have never used ALEKS before** and then select **Continue**. If you already have an ALEKS account, select **Yes, I have an ALEKS login name**, enter your login information, and then select **Continue**.

6. Verify your information, accept the Terms of Use, and select **Continue**.

7. Your account is now paired with ALEKS. Select **Continue**.
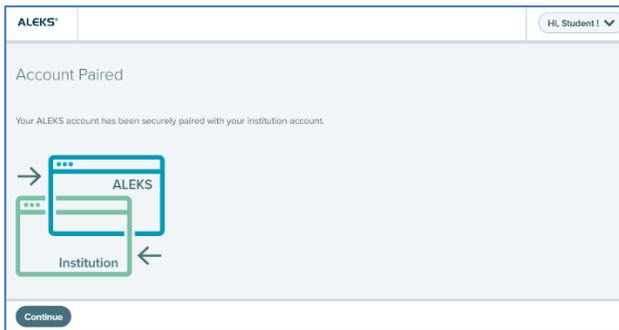

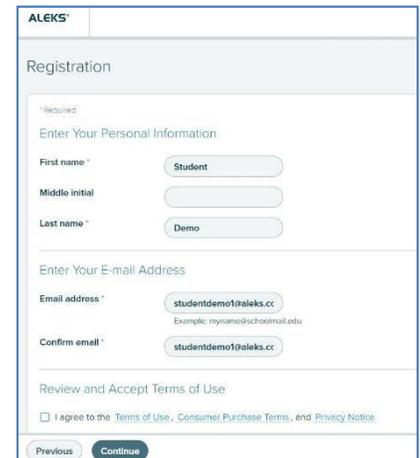

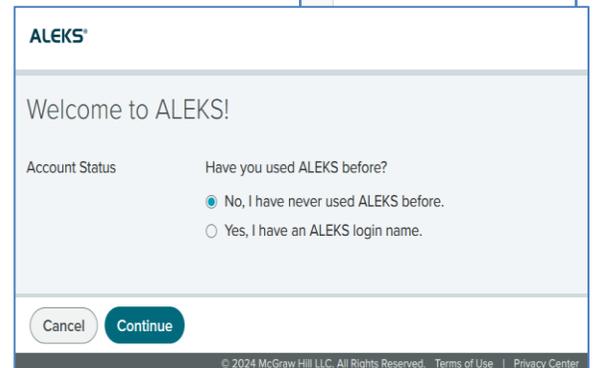

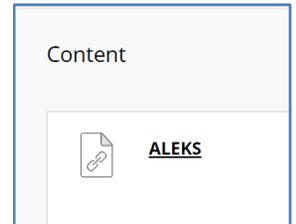

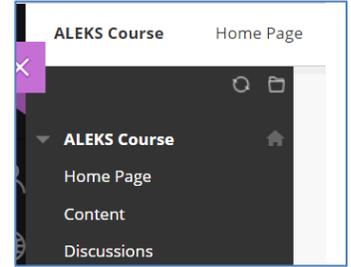

8. If you already have a 20-character access code, select the second option to continue your registration. If you do not have a 20-character access code, select the first option to purchase the code via ecommerce and complete registration.
