

Canvas: Student Pairing with Access Code

To pair your LMS account with ALEKS, follow the steps below.

1. Log into your Canvas account.
2. Select your course.
3. On the left-side navigation menu, select the tool link **ALEKS**. (Note, the name of the tool link may be different for your school and class.)

4. If you have never used ALEKS, select the first option, **No, I have never used ALEKS before** and then select **Continue**. If you already have an ALEKS account, select **Yes, I have an ALEKS login name**, enter your login information, and then select **Continue**.

A screenshot of the ALEKS login screen. The header says 'ALEKS'. Below it, it says 'Welcome to ALEKS!'. The question 'Have you used ALEKS before?' is followed by two radio button options. The first option, 'No, I have never used ALEKS before.', is selected. The second option is 'Yes, I have an ALEKS login name.'. Below the second option is a 'Log Into Account' section with two input fields: 'ALEKS Login Name' and 'Password'. A link for 'I forgot my login information >' is below the password field. At the bottom, there are two buttons: 'Cancel' and 'Continue'.

5. Verify your information, accept the Terms of Use, and select **Continue**.

The screenshot shows the ALEKS registration page. At the top left is the ALEKS logo. The main heading is "Registration". Below this, there is a section for "Enter Your Personal Information" with fields for "First name" (filled with "Student"), "Middle initial" (empty), and "Last name" (filled with "Demo"). Below that is a section for "Enter Your E-mail Address" with fields for "Email address" (filled with "studentdemo@aleks.co") and "Confirm email" (filled with "studentdemo@aleks.co"). An example email address "myname@schoolmail.edu" is shown below the first email field. At the bottom of the form, there is a "Review and Accept Terms of Use" section with a checkbox and the text "I agree to the [Terms of Use](#), [Consumer Purchase Terms](#), and [Privacy Notice](#)". At the very bottom of the page are two buttons: "Previous" and "Continue".

6. Your account is now paired with ALEKS. Select **Continue**.

The screenshot shows the ALEKS account pairing confirmation page. At the top left is the ALEKS logo. In the top right corner, there is a user greeting "Hi, Student!" with a dropdown arrow. The main heading is "Account Paired". Below this, there is a message: "Your ALEKS account has been securely paired with your institution account." Below the message is a diagram showing two overlapping windows. The top window is labeled "ALEKS" and the bottom window is labeled "Institution". An arrow points from the "Institution" window to the "ALEKS" window, and another arrow points from the "ALEKS" window to the "Institution" window. At the bottom of the page is a "Continue" button.

7. If you already have a 20-character access code, select the second option to continue your registration. If you do not have a 20-character access code, select the first option to purchase the code via ecommerce and complete registration.

ALEKS Hi, Student ! ▾

Apply Access

Do you have an access code?

No, I need to purchase an access code.

Yes, I have an access code.

Access Code: - - - ?

8. Confirm your access code expiration date. Select **Confirm**. (The example is for students that already have an access code.)

ALEKS Hi, Student ! ▾

Apply access

The access code will be applied to your class.
Expiration Date: 09/30/2022

9. You are now in your ALEKS Student Account Home.
