

D2L/Brightspace: Student Pairing with Access Code

To pair your LMS account with ALEKS, follow the steps below.

1. Log into your D2L account.
2. Select your course.
3. Select **Content**.
4. On the left side navigation, select the module **ALEKS Access**, and then select the **ALEKS** External Learning Tool. (Note, the name of the module and tool link for ALEKS may be different depending on each instructor or school.)

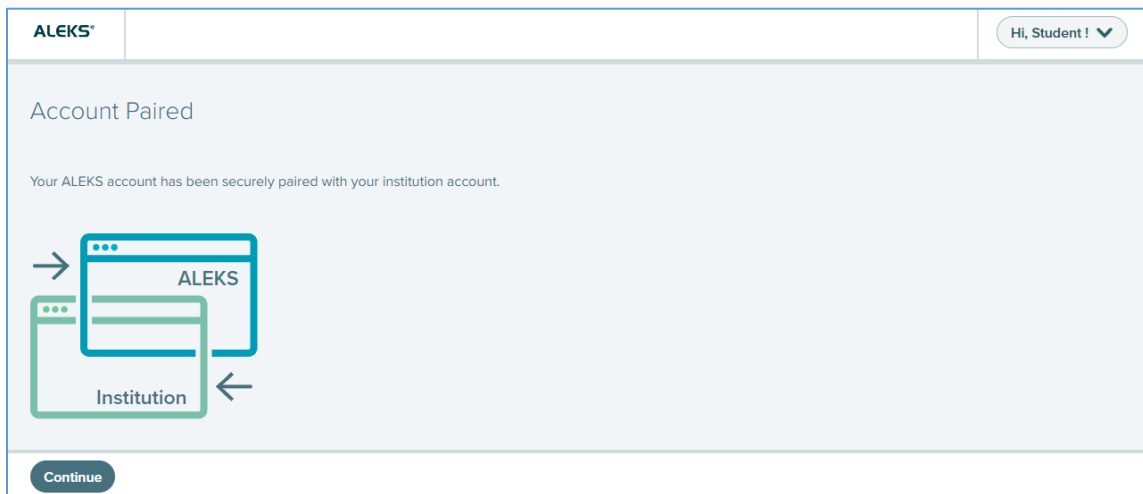

5. If you have never used ALEKS, select the first option, **No, I have never used ALEKS before** and then select **Continue**. If you already have an ALEKS account, select **Yes, I have an ALEKS login name**, enter your login information, and then select **Continue**.

A screenshot of the ALEKS login interface. At the top left is the 'ALEKS' logo. The main heading is 'Welcome to ALEKS!'. Below this is the question 'Have you used ALEKS before?'. There are two radio button options: the first is 'No, I have never used ALEKS before.' and is selected; the second is 'Yes, I have an ALEKS login name.'. Under the 'Yes' option is a 'Log Into Account' section with two input fields: 'ALEKS Login Name' and 'Password'. Below these fields is a link that says 'I forgot my login information >'. At the bottom of the form are two buttons: 'Cancel' and 'Continue'.

6. Verify your information, accept the Terms of Use, and select **Continue**. (The example below is for new user registration.)

The screenshot shows the ALEKS registration page. At the top left is the ALEKS logo. The main heading is "Registration". Below this is a section for "Enter Your Personal Information" with fields for "First name" (containing "Student"), "Middle initial" (empty), and "Last name" (containing "Demo"). Below that is a section for "Enter Your E-mail Address" with fields for "Email address" (containing "studentdemo1@aleks.cc") and "Confirm email" (containing "studentdemo1@aleks.cc"). An example email address "myname@schoolmail.edu" is shown below the first email field. At the bottom of the form is a section for "Review and Accept Terms of Use" with a checkbox and a link to "Terms of Use, Consumer Purchase Terms, and Privacy Notice". At the very bottom are two buttons: "Previous" and "Continue".

7. Your account is now paired with ALEKS. Select **Continue**.

8. If you already have a 20-character access code, select the second option to continue your registration. If you do not have a 20-character access code, select the first option to purchase the code via ecommerce and complete registration.
