

D2L/Brightspace: Student Pairing for Inclusive Access

To pair your LMS account with ALEKS, follow the steps below.

1. Log into your D2L account.
2. Select your course.
3. Select **Content**.
4. On the left side navigation, select the module **ALEKS Access**, and then select the **ALEKS** External Learning Tool. (Note, the name of the module and tool link for ALEKS may be different depending on each instructor or school.)

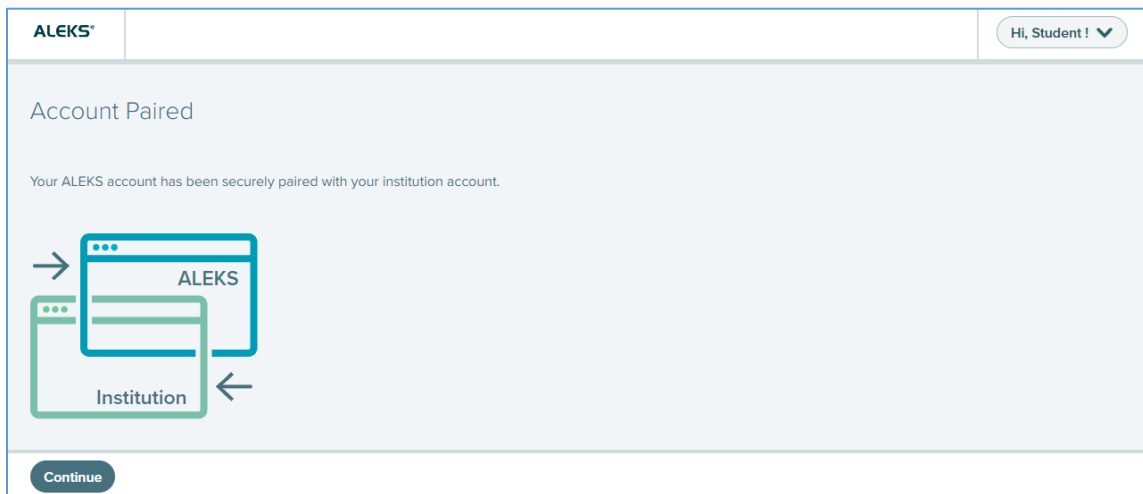

5. If you have never used ALEKS, select the first option, **No, I have never used ALEKS before** and then select **Continue**. If you already have an ALEKS account, select **Yes, I have an ALEKS login name**, enter your login information, and then select **Continue**.

A screenshot of the ALEKS login screen. The header says 'ALEKS'. Below it is 'Welcome to ALEKS!'. The main question is 'Have you used ALEKS before?'. There are two radio button options: 'No, I have never used ALEKS before.' (which is selected) and 'Yes, I have an ALEKS login name.'. Below the 'Yes' option is a 'Log Into Account' section with two input fields: 'ALEKS Login Name' and 'Password'. There is a link that says 'I forgot my login information >'. At the bottom of the form are two buttons: 'Cancel' and 'Continue'.

6. Verify your information, accept the Terms of Use, and select **Continue**. (The example below is for new user registration.)

The screenshot shows the ALEKS registration page. At the top left is the ALEKS logo. The main heading is "Registration". Below this, there is a section for "Enter Your Personal Information" with fields for "First name" (filled with "Student"), "Middle initial" (empty), and "Last name" (filled with "Demo"). A second section is "Enter Your E-mail Address" with "Email address" (filled with "studentdemo1@aleks.cc") and "Confirm email" (filled with "studentdemo1@aleks.cc"). Below the email fields is a "Review and Accept Terms of Use" section with a checkbox and links to "Terms of Use", "Consumer Purchase Terms", and "Privacy Notice". At the bottom are "Previous" and "Continue" buttons.

7. Your account is now paired with ALEKS. Select **Continue**.

8. You are now in your ALEKS Student Account Home.
