## Moodle: Student Pairing with Access Code

**Video Walkthrough: Click to View**

To pair your LMS account with **ALEKS**, follow the steps below.

1. Log into your Moodle account.
2. Select your course under **My Courses**.
3. Select the tool link **ALEKS**. (Note, the name of the tool link for ALEKS may be different depending on each instructor or school.)

4. If you have never used ALEKS, select the first option, **No, I have never used ALEKS before** and then select **Continue**. If you already have an ALEKS account, select **Yes, I have an ALEKS login name**, enter your login information, and then select **Continue**.

5. Verify your information, accept the Terms of Use, and select **Continue**.

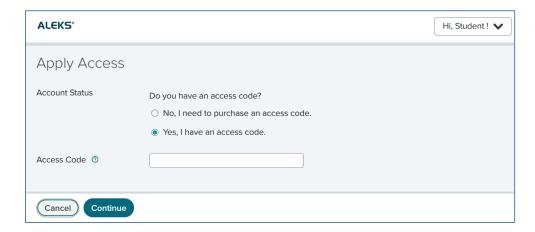

6. Your account is now paired with ALEKS. Select **Continue**.

7. If you already have a 20-character access code, select the second option to continue your registration. If you do not have a 20-character access code, select the first option to purchase the code via ecommerce and complete registration.

8. Confirm your access code expiration date. Select **Confirm**. (The example is for students that already have an access code.)

9. You are now in your ALEKS Student Account Home.
