

## Moodle: Student Pairing for Inclusive Access

To pair your LMS account with ALEKS, follow the steps below.

1. Log into your Moodle account.
2. Select your course under **My Courses**.
3. Select the tool link **ALEKS**. (Note, the name of the tool link for ALEKS may be different depending on each instructor or school.)

4. If you have never used ALEKS, select the first option, **No, I have never used ALEKS before** and then select **Continue**. If you already have an ALEKS account, select **Yes, I have an ALEKS login name**, enter your login information, and then select **Continue**.

The image shows the ALEKS login screen. At the top left is the 'ALEKS' logo. Below it is the heading 'Welcome to ALEKS!'. Underneath is the question 'Have you used ALEKS before?'. There are two radio button options: 'No, I have never used ALEKS before.' (which is selected) and 'Yes, I have an ALEKS login name.'. Below the second option is a 'Log Into Account' section with two input fields: 'ALEKS Login Name:' and 'Password:'. A link 'I forgot my login information >' is located below the password field. At the bottom of the form are two buttons: 'Cancel' and 'Continue'.

5. Verify your information, accept the Terms of Use, and select **Continue**. (The example below is for new user registration.)

6. Your account is now paired with ALEKS. Select **Continue**.

**ALEKS®** Hi, Student !

## Account Paired

Your ALEKS account has been securely paired with your institution account.

The diagram shows two overlapping window icons. The top window is labeled 'ALEKS' and has a right-pointing arrow next to it. The bottom window is labeled 'Institution' and has a left-pointing arrow next to it. The two windows are connected by a double-headed arrow, indicating a bidirectional relationship or pairing between the two accounts.
