

Standalone: Student Registration with Access Code

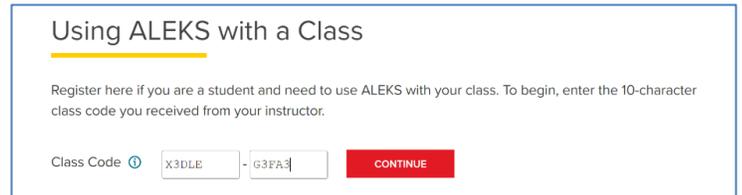

Video Walkthrough: [Click to View](#)

***Before you begin, please make sure you have the 10-character class code from your instructor. ***

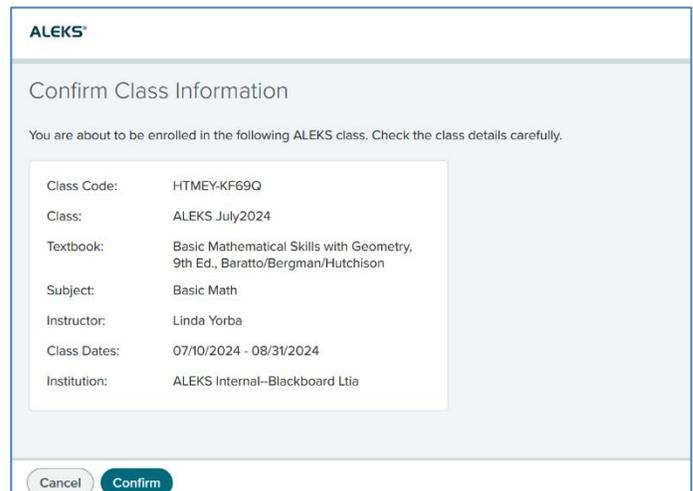

1. Go to www.aleks.com and select **Sign Up** in the upper right-hand corner.

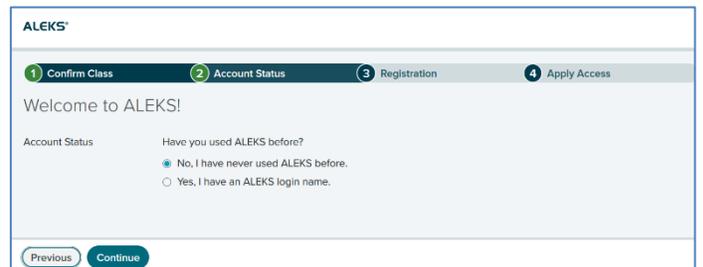

2. Enter your 10-character class code in the **Using ALEKS with a Class** section and select **Continue**.

3. Check that you are enrolling in the correct class and then select **Confirm**.

4. If you have never used ALEKS, select the first option, **No, I have never used ALEKS before** and then select **Continue**. If you already have an ALEKS account, select **Yes, I have an ALEKS login name**, enter your login information, and then select **Continue**.

ALEKS®

5. If you are creating an account, enter your information, choose a password, accept the Terms of Use, and select **Continue**.

6. Make note of your ALEKS Login Name. Select **Continue**.

7. You have three registration options.

- a. Use the option, **Yes, I have an access code**, to apply an access code you have already purchased.
- b. Use the option, **No, I need to purchase an access code**, to purchase an access code online using your credit card or PayPal.
- c. If your school participates in the Temporary Access Program, you will enter the Temporary Access Code provided by your instructor.
