Step 2: Manage Instructors

On the left-hand side, select **Manage Instructors**.

The screenshot displays the McGraw Hill Connect interface for managing assignments. On the left-hand side, the 'Manage Instructors' option is highlighted with a red box. The main content area shows the 'Manage Assignments' page, which includes a 'New Content Available' notification, a list of assignment actions, and a list of modules. The 'Manage Instructors' option is also highlighted with a red box in the sidebar.

Step 3: Add Instructor

In the right-hand corner, select **Add Instructors**.

The screenshot displays the McGraw Hill Connect interface for managing course instructors. The top navigation bar includes the McGraw Hill logo, the 'connect' brand name, and a 'New Experience' toggle. The main header shows the course title 'Anatomy & Physiology 2026' and a 'Back to My Courses' link. The left sidebar contains a 'Manage Instructors' button, which is highlighted with a red box. The main content area is titled 'Manage Instructors' and features a tabbed interface with 'Instructors' and 'Shared Instructors'. The 'Instructors' tab is active, showing a list of instructors. The first instructor listed is 'Lamoyah Lott', identified as the 'Primary Instructor' with an email address 'lamoyah.lott@mhhm.com'. A red box highlights the 'Add Instructors' button in the top right corner of the main content area. A red circle with a question mark is visible in the bottom right corner of the page.

Step 4: Enter Connect Email Address

In the pop-up box on the right-hand side, enter the **instructor email address** and click **Search Instructors**. You can add up to 10 instructors.

The screenshot shows the McGraw Hill Connect interface for 'Anatomy & Physiology 2026 A&P'. The main area is titled 'Manage Instructors' and shows a list of instructors, including 'Lamoyah Lott' with email 'lamoyah.lott@mhhm.com'. A pop-up dialog box titled 'Add Instructors' is open on the right. The dialog box contains instructions: 'Search for Connect accounts by inputting the instructors' email addresses. Each address **must** be the one they use to access Connect. Enter one address per line, or separate them with a comma.' Below the instructions is a text input field with the placeholder 'Enter Connect Email Addresses: (Enter up to ten)' and the example email 'andrenette.campbell@mhhm.com'. At the bottom of the dialog box are two buttons: 'Cancel' and 'Search Instructors'.

Step 5: Manage Added Instructors

To add instructors to the section, **check the box** next to their names in the row to select them and click **Add Instructors**.
