

## McGraw Hill Integration: Connect-Blackboard Learn Pairing Guide

Below, you will find a quick guide to pair your course with McGraw Hill Connect. If you run into any issues, please contact McGraw Hill Education Digital Technical Support.

If you have a McGraw Hill product already paired, please navigate to this unpairing guide.

- 1. Please make sure you are logged in to your LMS and select your course.
- 2. First, navigate to "Content."

9. You will then navigate to your Connect course by selecting "Go to Section Home."

McGraw Hill Support www.supportateverystep.com

- 10. Continue to build out your course. Once your assignments, activities, and assessments are ready to be added to your LMS, you will deploy them.
- 11. You will then see a list of assignments. Select the assignments (1), then click the three dots (2), and select "Deploy to Blackboard" (3).

Assignments				A Student view Buik assignment view Add assignment
🗹 🗃 Chapter 1	Start - Due 3/7/24 - None	Points 10 Manually graded	Student progress	Create folder
				Manage dates
				Show
				Hide
				Create prerequisites
				Delete assignments

12. Select "Deploy," which will then send you back to your LMS course.

Deploy and Manage Deploy assignments to mhhedemo.blackboard.com MH Connect where students can access them directly. You can return to this page to manage assignments that were previously deployed.
