

# Upgrade Your Blackboard Course to LTI Advantage – Instructor New Experience

**Before you begin, please have your existing Connect® section ready.**

## Prepare your Existing Blackboard Section

1. Log in to Blackboard and navigate to your course.
2. Open the **Content** area.
3. Individually delete each existing Connect assignment link.
  - a. NOTE: Please be sure to check every folder for Connect assignment links. Any links not deleted will no longer work when the course is paired via LTI Advantage.

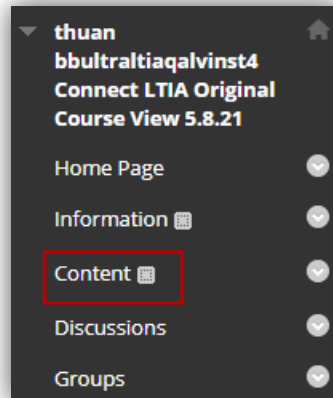

4. Open the **Grade Center**.

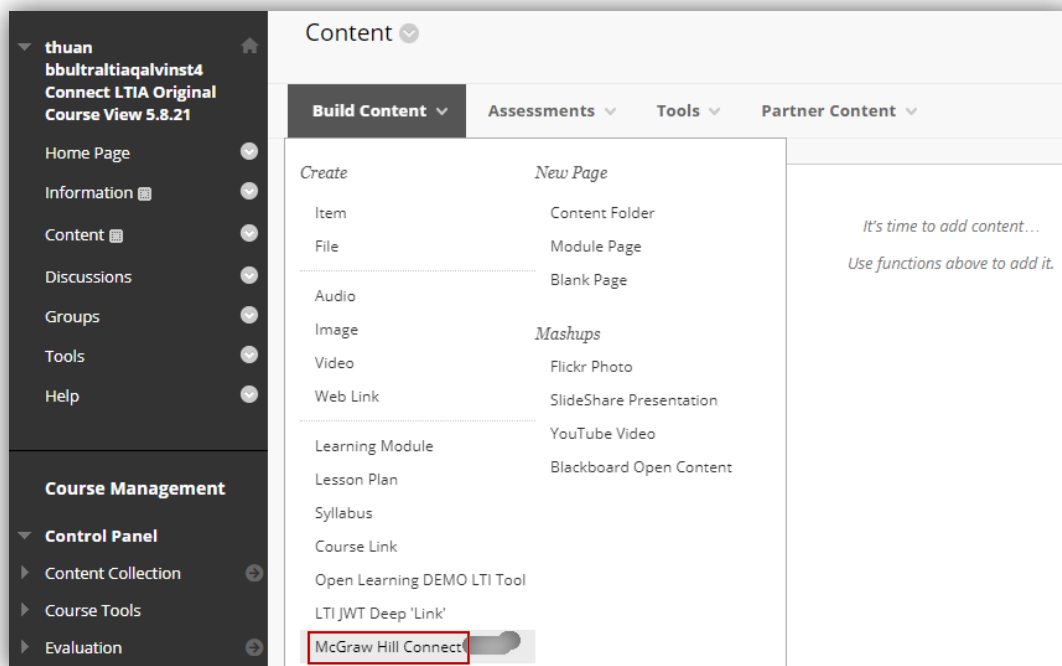

5. Delete any remaining Connect assignment links and gradebook columns in your Blackboard course.

## Pair with Existing Connect Account and Existing Section

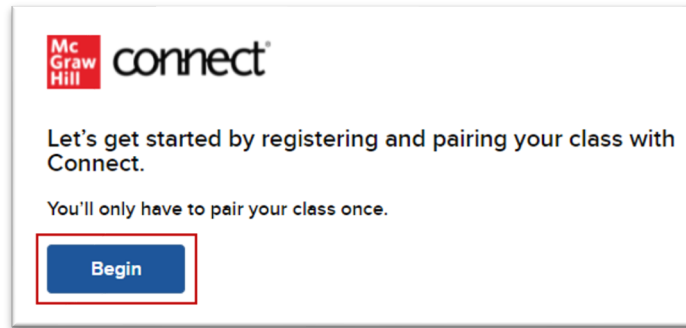

Log in to Blackboard and navigate to your course. Click on **Content** in the left navigation.

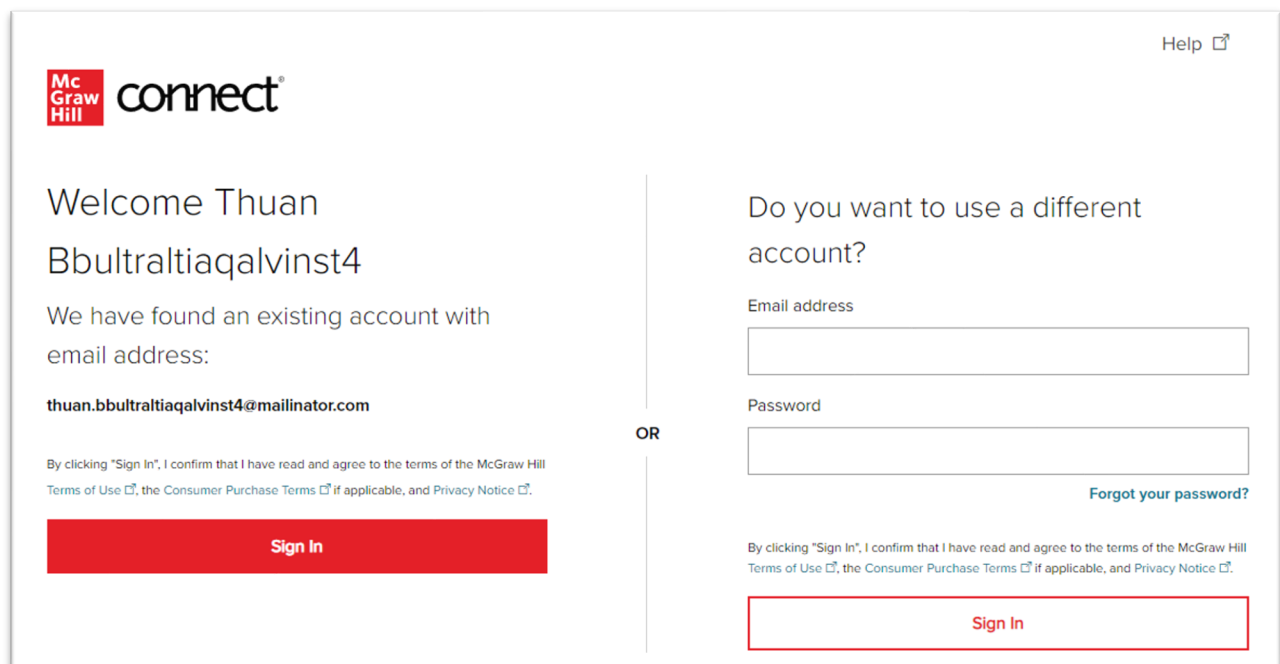

1. Click **Build Content** and select **McGraw Hill Connect LTIA**. Note: Your institution may have named the tool differently.

2. Click **Begin**.

3. If you see this message, “Connect found an existing account with your email address,” click **Sign In** on the left-hand side.

A screenshot of the McGraw Hill Connect login page. The page is split into two columns. The left column has the McGraw Hill Connect logo at the top, followed by the text "Welcome Thuan Bbultraltiaqalvinst4". Below this, it says "We have found an existing account with email address:" followed by the email address "thuan.bbultraltiaqalvinst4@mailinator.com". At the bottom of the left column is a red button labeled "Sign In". The right column has the text "Do you want to use a different account?" followed by input fields for "Email address" and "Password". Below the password field is a link that says "Forgot your password?". At the bottom of the right column is a red button labeled "Sign In". In the center, between the two columns, is the word "OR". At the top right of the page is a "Help" link with an external icon.

4. Click **Pair with existing Connect course**.

NOTE: The following steps require the New Connect Experience to be enabled. If you have not yet enabled the New Experience, you will need to toggle it on in your Connect section.

- Click on the **Assignments** tab.

- Select the assignment(s) you want to send over to Blackboard.

9. Click the **three dots** icon and select **Deploy to Blackboard**.

The screenshot shows the Blackboard 'Assignments' page. At the top, there are tabs for 'Dashboard', 'Assignments', 'Library', and 'Performance'. The 'Assignments' tab is active. Below the tabs, there's a header 'Assignments' with an information icon. A table lists assignments: 'question bank test', 'SB test', 'test', and 'Chapter 2: Job-Order Costing:'. Each row has columns for 'Start - Due', 'Points', and 'Student progress'. A context menu is open for the 'question bank test' assignment, showing options: 'Deploy to Blackboard', 'Send to colleague', 'Create folder', 'Manage dates', 'Show', and 'Hide'. The 'Deploy to Blackboard' option is highlighted with a red box.

10. Verify the Grade Type and click **Deploy**.

The screenshot shows the 'Deploy and Manage' dialog box. It has a title 'Deploy and Manage' and a subtitle 'Deploy assignments to Blackboard where students can access them directly. You can return to this page to manage assignments that were previously deployed.' Below the subtitle, there's a link 'selected assignments'. Under 'Set your options', there's a 'Grade Type' section with two radio buttons: 'Best' (selected) and 'Last'. At the bottom right, there's a 'Deploy' button highlighted with a red box. There is also a 'cancel' button at the bottom left.

11. The assignments should now be in the Blackboard Content area for your course and a grading column has also been created for each assignment in the course. All assignments will have the same icon in your Blackboard course.

The screenshot shows the Blackboard 'Content' area. At the top, there are tabs for 'Build Content', 'Assessments', 'Tools', and 'Partner Content'. The 'Build Content' tab is active. Below the tabs, there's a list of content items. Each item has a document icon with a link and a title: 'question bank test', 'SB test', and 'test'. Each item has a small 'v' icon next to it, indicating it's a link.
