

Pair Your D2L Brightspace Course Using LTI Advantage

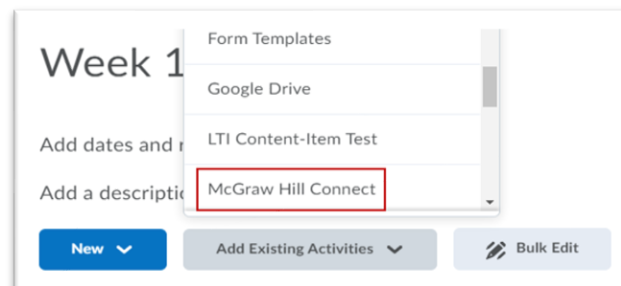

Before you begin, please have your existing Connect® section ready. If you need assistance getting your Connect® section prepared, refer to [these Instructor resources](#) on Support at Every Step.

Pair with Existing Connect Account and Existing Section

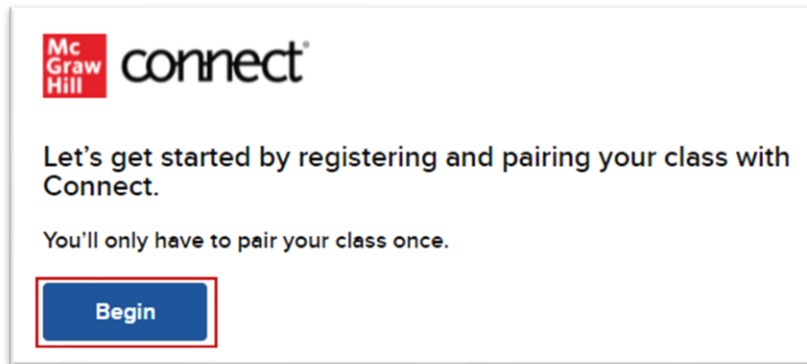

1. Login to D2L Brightspace.
2. Go into your course content area and click **Add Existing Activities**.

3. Select **McGraw Hill Connect**. Note: The name of the Connect integration tool might be different in your LMS.

- Click **Begin**.

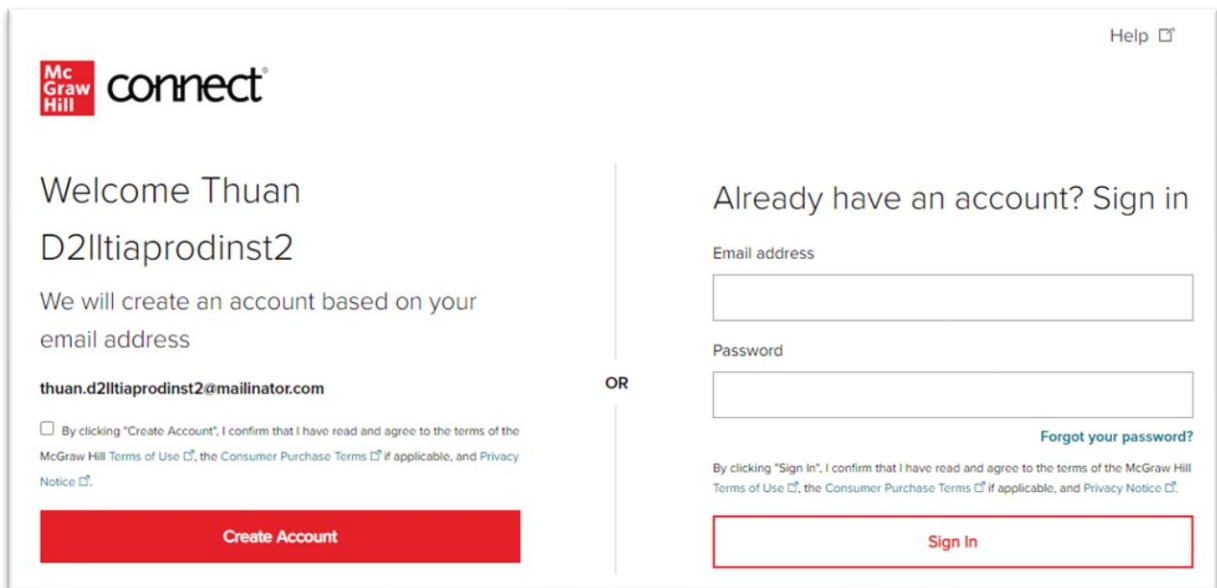

McGraw Hill connect

Let's get started by registering and pairing your class with Connect.

You'll only have to pair your class once.

Begin

- Log into your Connect account. NOTE: This will not appear if you are still signed in from a prior term.

Sign In

6. Click **Pair with existing Connect course**.

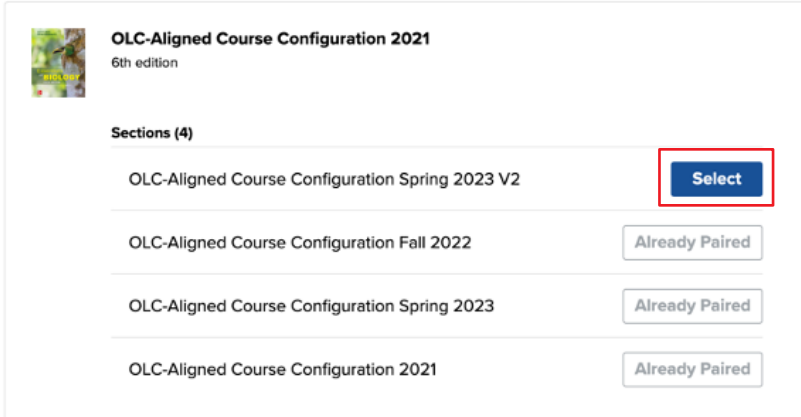

The screenshot shows the McGraw Hill Connect interface. At the top is the McGraw Hill Connect logo. Below it is a link: [< Back to Desire2Learn](#). The main heading is "Pair your Desire2Learn Course with Connect". There are two buttons: "Pair with new Connect course" and "Pair with existing Connect course". The "Pair with existing Connect course" button is highlighted with a red rectangular border.

7. Locate the Connect section you want to pair with and click **Select**.

Choose a course section to pair with:

Biology

The screenshot shows the McGraw Hill Connect interface for selecting a course section. At the top is the McGraw Hill logo. Below it is the text "Choose a course section to pair with:". The course title is "Biology". Below the title is a small image of a book cover. The course title is "OLC-Aligned Course Configuration 2021" and the edition is "6th edition". Below the title is the text "Sections (4)". There are four sections listed: "OLC-Aligned Course Configuration Spring 2023 V2", "OLC-Aligned Course Configuration Fall 2022", "OLC-Aligned Course Configuration Spring 2023", and "OLC-Aligned Course Configuration 2021". The "OLC-Aligned Course Configuration Spring 2023 V2" section has a blue "Select" button highlighted with a red rectangular border. The other three sections have "Already Paired" buttons.

8. Do **not** leave or refresh this page! Your current Connect assignment links are being automatically relinked. NOTE: This process can take a while depending on how many Connect assignment links have been deployed in your LMS.

You have paired your Desire2Learn course with Connect!

**D2L Demo Spring 2023**
[< Back to Desire2Learn](#)

**OLC-Aligned Course Configuration Spring 2023 V2**
[Go to Section Home >](#)

You are almost done! Do not leave this page yet.

Your assignment relinking is in progress, please remain on this page until the process is complete.
Note: This page will automatically refresh when this process is complete.

9. Once your assignment relinking is completed, your screen will refresh to show this language. At that point, you can click **Go to Section Home** or choose to go **Back to Desire2Learn**.

[Go to Section Home >](#)

Your assignment relinking has completed.

Oops

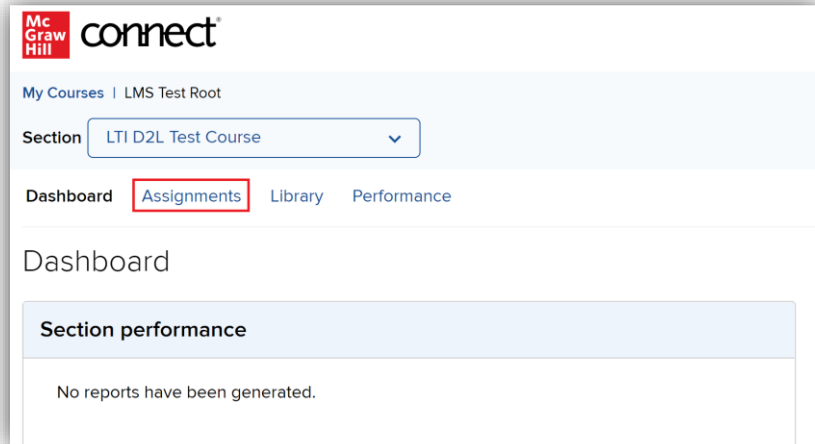

Did you just pair this Blackboard section to the wrong Connect section?

[Unpair Now](#)

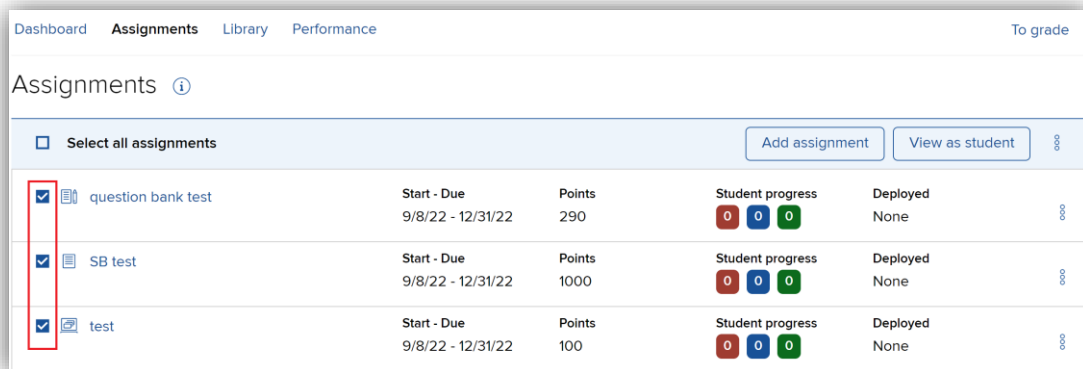

If you have additional Connect assignment links to deploy, continue to the section below. If not, your process is complete, and you can head Back to Blackboard.

Deploy Additional Connect Assignments

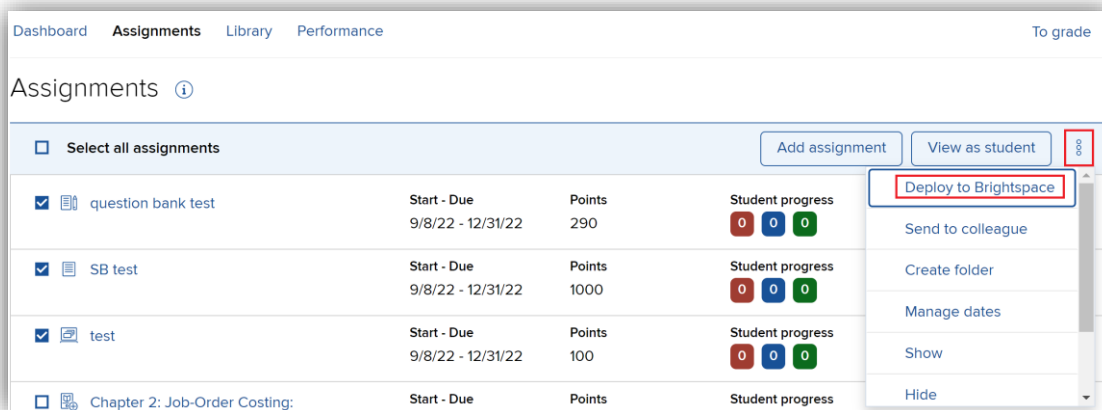

1. Click on **Go to Section Home**.
2. Click on the **Assignments** tab.

3. Select the assignments you want to send over to your course in D2L Brightspace.

4. Click the **three dots** icon and select **Deploy to Brightspace**.

5. You can set the grade type in bulk or individually. Click the **Deploy** button when done.

Deploy and Manage

Deploy assignments to Moodle where students can access them directly.
You can return to this page to manage assignments that were previously deployed.
