### Create Assignment

<b>Question Bank</b>	Build an assignment from various sources and question types, while incorporating your choice of settings and proctoring options.
<b>Adaptive Learning Assignment</b>	Create an assignment providing a learning experience that adapts to the unique needs of each learner through ongoing formative assessment, feedback, and learning resources.
<b>Reading Assignment</b>	Assign specific sections or chapters from your Connect eBook.
<b>Application-Based Activity</b>	Assign interactive, valuable real-world scenarios and allow students to apply their knowledge and problem-solving skills, progressing from basic understanding to complex application.
<b>Video Capture</b>	Create your own custom video capture assignment, including in-class and online speeches and presentations, self-review, and peer review.
<b>Writing Assignment</b>	Create a writing assignment with flexible options for student guidance and efficient scoring.
<b>Critical Thinking Assignment</b>	Guide students through the process of critical reading and analysis.

## Step 4: Select desired chapter

Once the Question Bank comes up, select the chapter you desire under content selection.

Step 1 of 3

### Content Selection

## Step 5: Filter Results

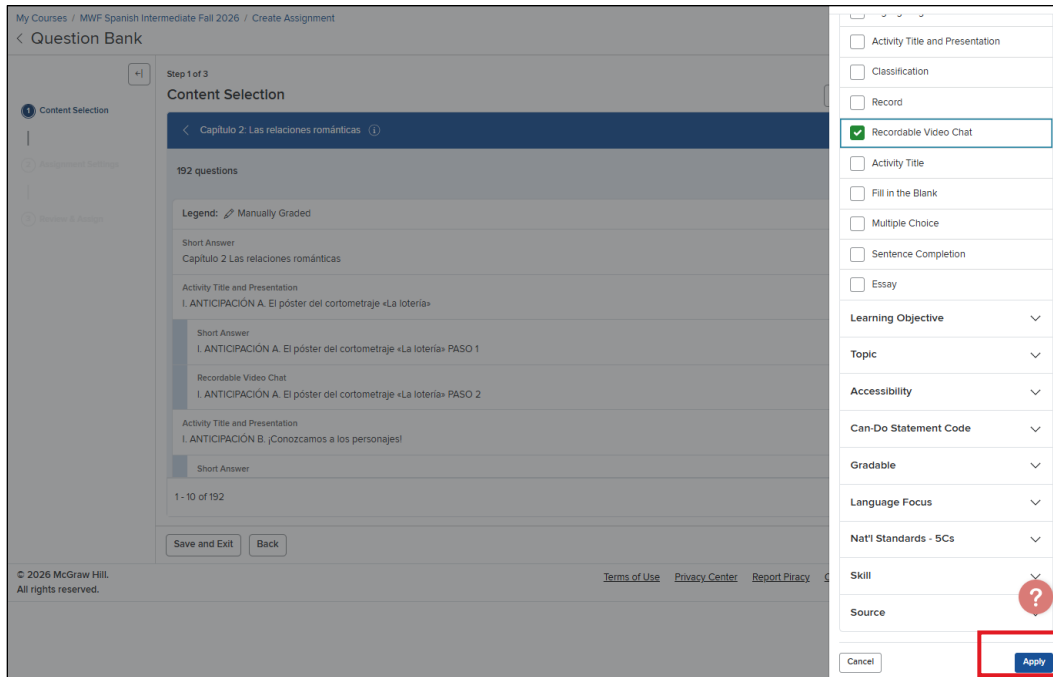

Use the filter to narrow your view. Select the filter icon on the top right.

Under "Question Type", select **Recordable Video Chat**.

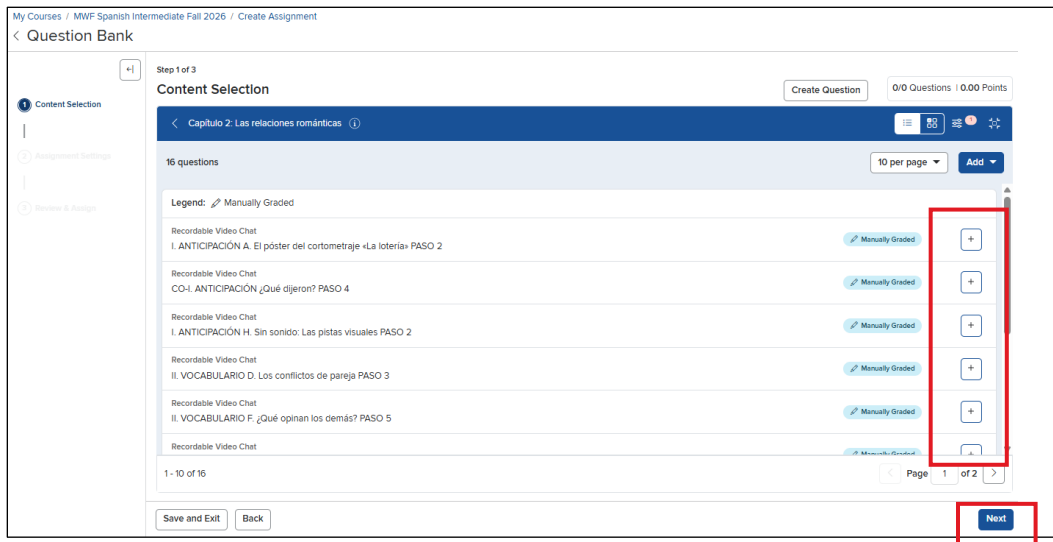

Select **Apply** at the bottom of the menu.

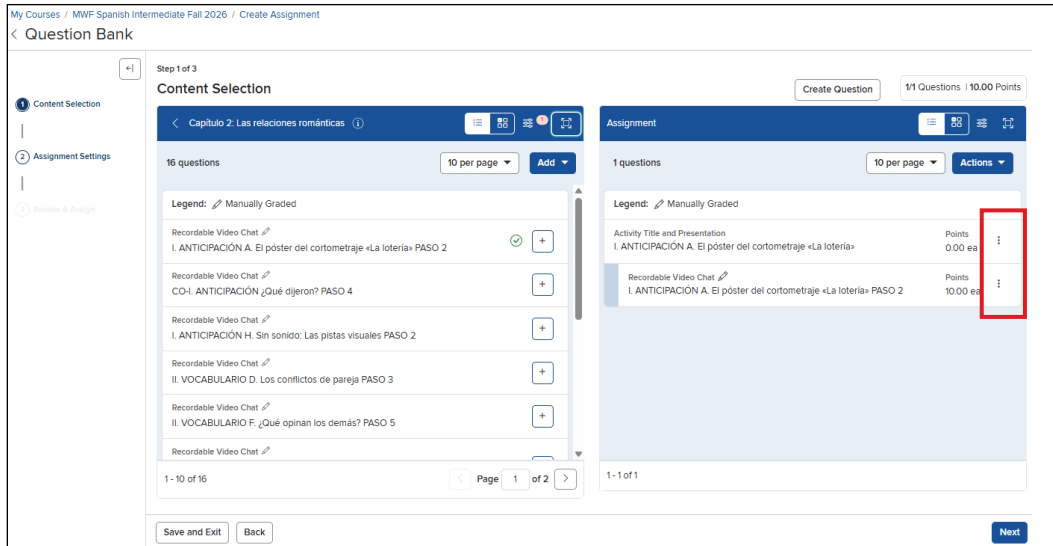

## Step 6: Select Questions to Create Assignment

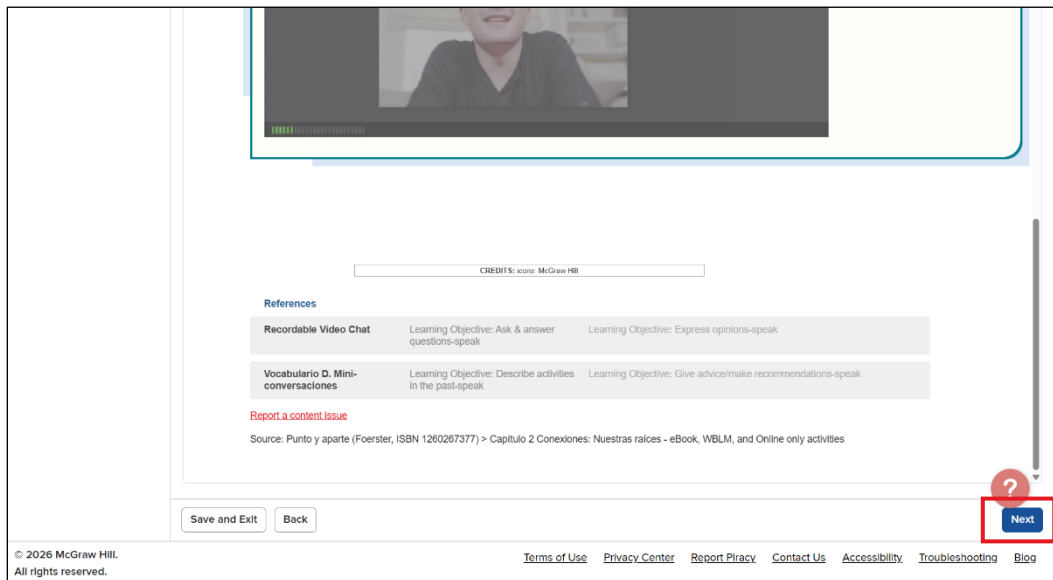

A list of activities will appear to choose from. Add questions to the assignment by selecting the **plus icon**. You can preview questions before adding them using the **question preview button** at the top.

The **Assignment Actions** menu and each question's **three-dot menu** provide additional options, such as adjusting point values, reordering, or deleting questions.

When ready to add this assignment, select **Next** in the bottom right-hand corner.

## Step 7: Select Assignment Settings

Next, complete your assignment settings. Once your assignment settings are completed, click **Next** in the bottom right-hand corner.

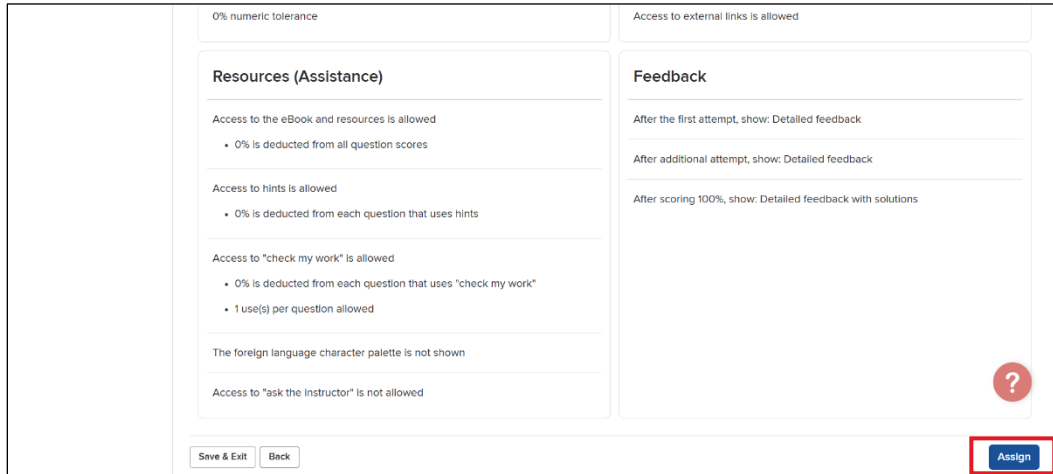

The screenshot shows the 'Assignment Settings' interface. On the left, a sidebar indicates the current step is '2 Assignment Settings'. The main content area is titled 'Step 2 of 3 Assignment Settings' and includes a sub-header '1/1 Questions | 10.00 Points'. Below this, there is a section for 'Proctoring' with an 'Enable Proctoring' button. The 'Assignment Settings' section features four tabs: 'Practice', 'Homework' (which is selected), 'Quiz', and 'Exam'. Under the 'Homework' tab, there are five expandable sections: 'Basic', 'Attempts', 'Tolerances', 'Resources', and 'Feedback'. A red question mark icon is visible in the bottom right corner of the 'Feedback' section. At the bottom of the page, there are 'Save and Exit', 'Back', and 'Next' buttons.

## Step 8: Name your assignment

Name your assignment and add any additional instructions if needed. Set the assignment start and due date. Then, review your settings that were selected.

The screenshot shows the 'Review & Assign' interface. On the left, a sidebar indicates the current step is '3 Review & Assign'. The main content area is titled 'Step 3 of 3 Review & Assign' and includes a sub-header '1/1 Questions | 10.00 Points'. Below this, there is a section for 'Assignment Information' with a text input field for 'Assignment Name' (containing 'UNNAMED ASSIGNMENT') and a text area for 'Instructions (Optional)'. The 'Time Zone' is set to 'US/Central'. There are fields for 'Start Date (mm/dd/yyyy)', 'Start Time' (with a calendar icon, and fields for HH, MM, and AM), 'Due Date (mm/dd/yyyy)', and 'Due Time' (with a calendar icon, and fields for 11, 59, and PM). The 'Assignment Settings' section shows 'Assignment type' as 'Homework'. Below this, there are two expandable sections: 'Basic' (with the text 'Printing is not allowed') and 'Attempts' (with the text 'Unlimited attempts are allowed'). A red question mark icon is visible in the bottom right corner of the 'Attempts' section. At the bottom of the page, there are 'Save and Exit', 'Back', and 'Next' buttons.

Once complete, click **Assign** in the bottom right-hand corner.

0% numeric tolerance

Access to external links is allowed

**Resources (Assistance)**

Access to the eBook and resources is allowed

- 0% is deducted from all question scores

Access to hints is allowed

- 0% is deducted from each question that uses hints

Access to "check my work" is allowed
