

Writing Assignment - Grade Student Writing Assignments

Step 1: Go to Manage Assignments.

Go into the assignment from your Connect section home. You can click on the **assignment title** or the **pencil icon** next to “Create Assignment”.

You will notice a number next to the pencil which indicates the number of submissions in need of grading.

Step 2: Assignments to grade.

A list of assignments will populate. Select by clicking on the specific assignment to begin grading.
