

Integrating McGraw Hill Connect New UX (LTIA) with D2L Brightspace

Learn how to seamlessly link your McGraw Hill Connect course materials to a D2L Brightspace environment. This guide covers the entire process from initial account setup to deploying assignments directly into your course curriculum.

Locating the McGraw Hill LTIA (1.3) Integration in D2L Brightspace

Step 1: Navigate to Your D2L Brightspace Course

Open your D2L Brightspace course.

connect®

Step 2: Open Content

To open the content, click **Content** from the menu bar.

connect®

Step 3: Select Your Module

Click the module you want to start deploying assignments to.

Note: The module you launch McGraw Hill from determines where your assignment links are initially created.

Add a module...

connect®

Step 4: Open Existing Activities

Next click **Existing Activities** within your module.

The screenshot shows the McGraw Hill Connect interface for a course titled "McGraw Hill Test Course". The top navigation bar includes links for Syllabus, Content, Classlist, Assignments, Discussions, Quizzes, Grades, Course Admin, McGraw Hill Test Course, and More. The left sidebar contains a search bar and a table of contents with links to Overview, Bookmarks, Course Schedule, and McGraw Hill Connect Assignments. The main content area is titled "McGraw Hill Connect Assignments" and features a dropdown menu with options: "Upload / Create", "Existing Activities" (highlighted with a red box), and "Bulk Edit". Below the dropdown are fields for "Add dates and restrictions...", "Add a description...", and "Add a sub-module...". A dashed box indicates a drag-and-drop area for creating and updating topics.

Step 5: Select the McGraw Hill Integration

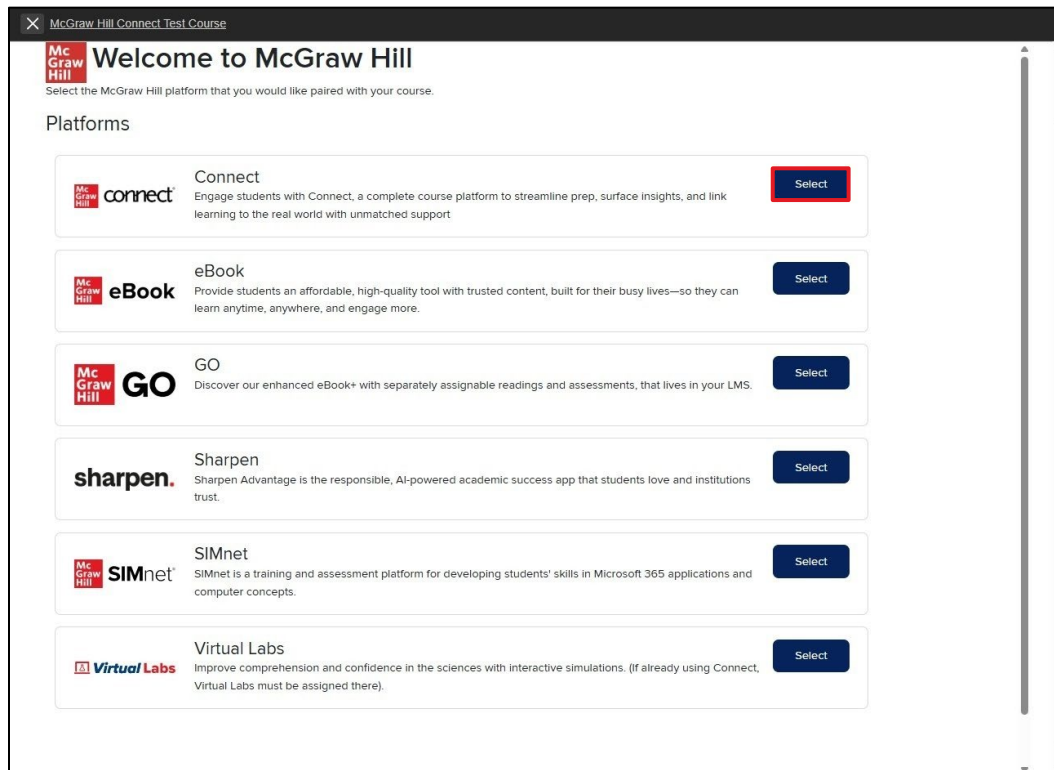

Click **McGraw Hill Integration**.

Note: The tool title may be different in your D2L Brightspace environment.

Step 6: Select Connect

Click **Select** for Connect if D2L Brightspace prompts you to choose a McGraw Hill platform.

The screenshot shows a web browser window titled "McGraw Hill Connect Test Course". The page has a dark header with the McGraw Hill logo and the text "Welcome to McGraw Hill". Below the header, it says "Select the McGraw Hill platform that you would like paired with your course." and "Platforms".

There are six platform options listed, each with a McGraw Hill logo, a platform name, a description, and a "Select" button:

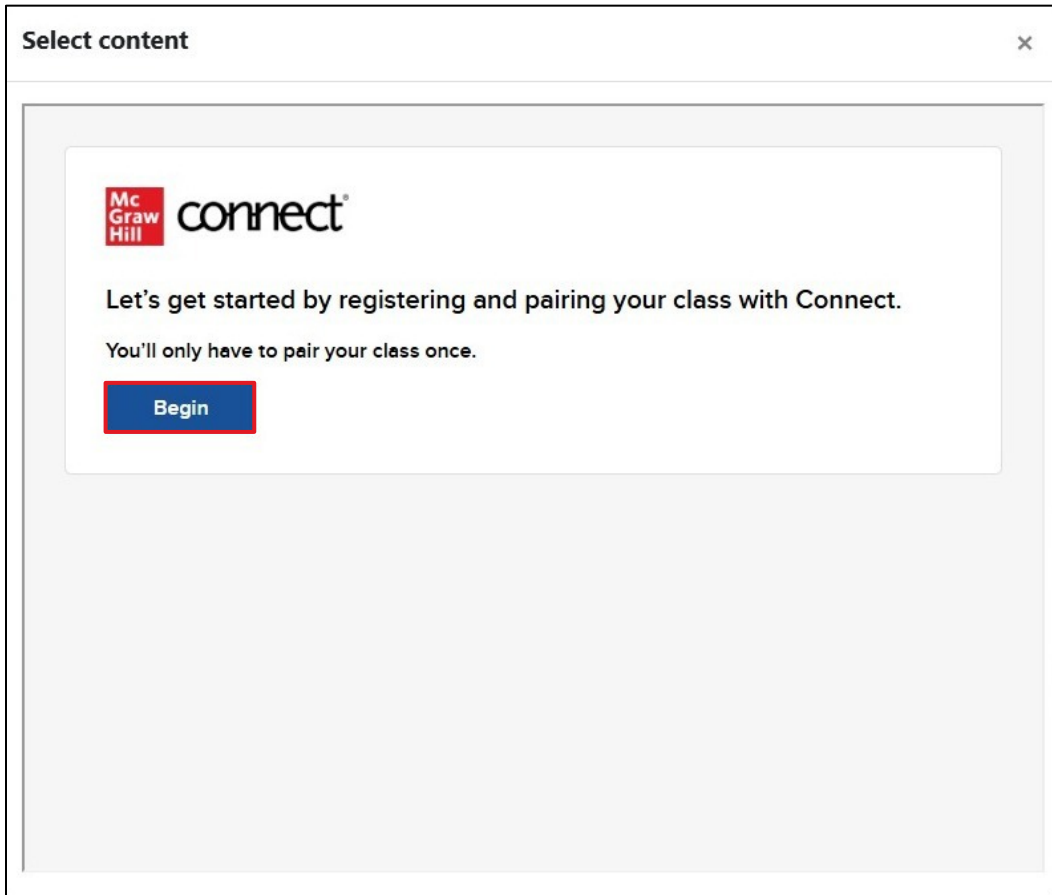

- connect**: Engage students with Connect, a complete course platform to streamline prep, surface insights, and link learning to the real world with unmatched support. (The "Select" button is highlighted with a red border.)
- eBook**: Provide students an affordable, high-quality tool with trusted content, built for their busy lives—so they can learn anytime, anywhere, and engage more.
- GO**: Discover our enhanced eBook+ with separately assignable readings and assessments, that lives in your LMS.
- sharpen.**: Sharpen Advantage is the responsible, AI-powered academic success app that students love and institutions trust.
- SIMnet**: SIMnet is a training and assessment platform for developing students' skills in Microsoft 365 applications and computer concepts.
- Virtual Labs**: Improve comprehension and confidence in the sciences with interactive simulations. (If already using Connect, Virtual Labs must be assigned there).

connect[®]

Step 7: Begin the Pairing Process

Click **Begin** to establish your user pairing and course pairing.

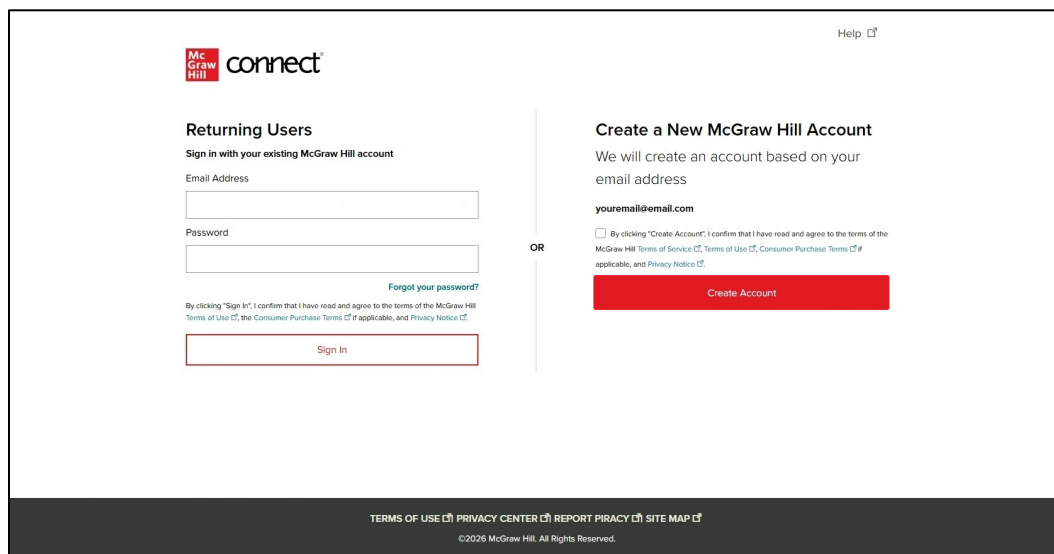

Establishing Your User Pairing (Single Sign-On)

Step 8: Create or Sign In to Your Account

If you're a new user, click **Create Account** on the right side of the page.

If you're a returning user, or you use a different email address in Connect than in D2L Brightspace, use the left side of the page to **Sign In** instead.

The screenshot shows the McGraw Hill Connect login and account creation interface. At the top left is the McGraw Hill Connect logo, and at the top right is a "Help" link with an external icon. The page is divided into two main sections by a vertical line, with "OR" centered between them.

At the bottom of the page, there is a dark gray footer bar containing the following links: [TERMS OF USE](#), [PRIVACY CENTER](#), [REPORT PIRACY](#), and [SITE MAP](#). Below these links is the copyright notice: ©2026 McGraw Hill. All Rights Reserved.

Pairing with an Existing Connect Course

Step 9: Pair with an Existing Connect Course

Click **Pair with existing Connect course**.

A screenshot of the McGraw Hill Connect interface for pairing a course. The page has a white background with the McGraw Hill Connect logo at the top left. Below the logo is a link that says "< Back to Desire2Learn". The main heading is "Pair your Desire2Learn Course with Connect". Below this heading are two buttons: "Pair with existing Connect course" (highlighted with a red border) and "Pair with new Connect course" (highlighted with a blue border), separated by the word "or". At the bottom left, there is a copyright notice: "© 2026 McGraw Hill. All Rights Reserved." At the bottom right, there are links for "Terms of Use", "Privacy Center", "Accessibility", and "Report Privacy".

Create assignment links

- If you don't have any Connect assignment links in your Desire2Learn course and you would like to insert them for student access/grade sync: [INSTRUCTIONS/VIDEO](#)
- If you don't want Connect assignment links with automatically-generated gradebook columns in your Desire2Learn course, you are done!

Paired to the wrong section?

Did you just pair this Desire2Learn section to the wrong Connect section?

[Unpair Now](#)

Deploying Your Connect Assignments

Tip! Be sure not to have any other McGraw Hill Connect tab or window open in your browser when you deploy new assignments, as this can result in your assignments being placed in a pending state.

Step 12: Open Assignment Actions

Click **Assignment Actions**.

The screenshot displays the McGraw Hill Connect user interface for managing assignments. At the top, the 'McGraw Hill connect' logo is visible. The main header area includes a 'Back to My Courses' link and a 'Manage Assignments' title. A red box highlights the 'Assignment Actions' dropdown menu, which is located next to the 'Organize' and 'Filter' buttons. Below this, a table lists assignments, with 'Homework 1' shown. The table includes columns for 'Start Date' (August 20, 2026), 'Due Date' (September 5, 2026), and 'Points' (100.00). To the right of the table, a 'Student progress' summary shows three categories: 'Not started' (0), 'In progress' (0), and 'Completed' (0). The left sidebar contains various navigation options, including 'Manage Assignments', 'Student Roster', 'Manage Instructors', 'Course Materials', 'Instructor Resources', 'Media', 'View Reports', 'Launch Test Builder', and 'AI Feature Settings'. The bottom of the page features a footer with copyright information and links to 'Terms of Use', 'Privacy Center', 'Report Piracy', 'Contact Us', 'Accessibility', 'Troubleshooting', and 'Blog'.

Step 13: Deploy to D2L Brightspace

Click **Deploy to Brightspace**.

The screenshot shows the McGraw Hill Connect interface for managing assignments. The main heading is "Manage Assignments". On the left, there is a sidebar with various options: "Release Details", "Release Notes", "Section Pairing Info", "Change Section", "Manage Assignments" (selected), "Student Roster", "Manage Instructors", "Course Materials", "Instructor Resources", "Media", "View Reports", "Launch Test Builder", and "AI Feature Settings". The "Manage Assignments" section is active, showing a table of assignments. The "Assignment Actions" dropdown menu is open, and the "Deploy to Brightspace" option is highlighted with a red box. Other options in the dropdown include "Manage assignment dates", "Give assignment extensions", "Hide assignments", "Share assignments", and "Delete assignments". The table shows a single assignment with a due date of "October 5, 2026" and a point value of "100.00". On the right, there is a "Student progress" section showing a progress bar with three segments: "Not started" (0), "In progress" (0), and "Completed" (0). The bottom of the page contains a footer with copyright information and links to Terms of Use, Privacy Center, Report Piracy, Contact Us, Accessibility, Troubleshooting, and Blog.
