

# Moodle LTI Advantage Integration – Instructor Workflow

Before you begin, please have your existing Connect® section ready.

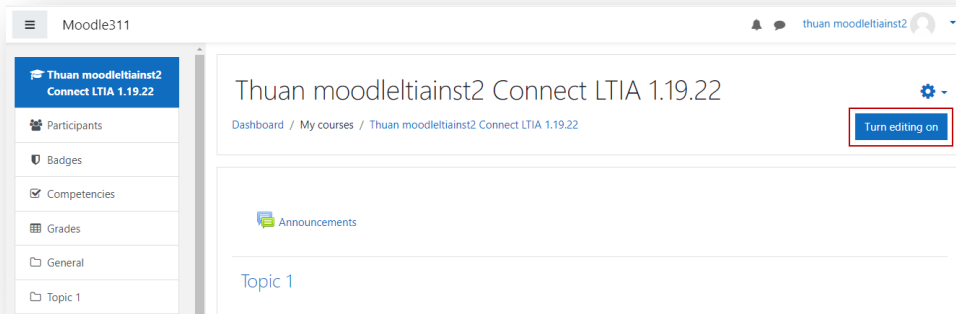

## Prepare your Existing Moodle Section

1. Log in to Moodle and navigate to your course.
2. Go to **Grades**.
3. Under the **Setup** tab, individually delete each existing Connect assignment **Gradebook** item.

## Pair with Existing Connect Account and Existing Section

1. Login to Moodle
2. Go into your course and select **Turn editing on** under the settings

3. Click on **Add an activity or resource**.

The screenshot shows a Moodle course page for 'Thuan moodleltiainst2 Connect LTIA 1.19.22'. The page header includes the course title, a breadcrumb trail ('Dashboard / My courses / Thuan moodleltiainst2 Connect LTIA 1.19.22'), and a 'Turn editing off' button. The main content area displays two sections: 'Announcements' and 'Topic 1'. Each section has an 'Add an activity or resource' button. The 'Add an activity or resource' button under the 'Topic 1' section is highlighted with a red rectangular box.

4. Locate and select **McGraw Hill Connect**

 Adding a new External tool to Topic 1 

The following items will be added to your course:

- **EZT HW - 1 attempt - manual** Graded activity (Maximum grade: 20)
- **SB 2.0 New Assignment - 1 attempt** Graded activity (Maximum grade: 100)

15. The assignments that were deployed will show up under the topic folder. Click on the arrows to the left of the assignment to rearrange the order as needed. A gradebook column is automatically created for each non-zero point assignment in the course.
