

Pair Your Moodle Course Using LTI Advantage

Before you begin, please have your existing Connect[®] section ready. If you need assistance getting your Connect[®] section prepared, refer to <u>these Instructor resources</u> on Support at Every Step.

Pair with Existing Connect Account and Existing Section

- 1. Login to Moodle.
- 2. Go into your course and select **Turn editing on** under the settings.

	LTI Moodle Test Course	Select

10. Do not leave or refresh this page! Your current Connect assignment links are being automatically relinked. NOTE: This process can take a while depending on how many Connect assignment links have been deployed in your LMS.

You have paired your Moodle course with Connect!

11. Once your assignment relinking is completed, your screen will refresh to show this language. At that point, you can click **Go to Section Home** or choose to go **Back to Moodle**.

Oops Did you just pair this Blackboard section to the wro	ong Connec	ect section? Unpair Now

If you have additional Connect assignment links to deploy, continue to the section below. If not, your process is complete, and you can head Back to Moodle.

Deploy Additional Connect Assignments

- 1. Click on **Go to Section Home**.
- 2. Click on the **Assignments** tab.
