

Set Time Zones for Your Connect Course (New Experience)

When setting up your Connect course, you will want to be sure it is set to the correct time zone.

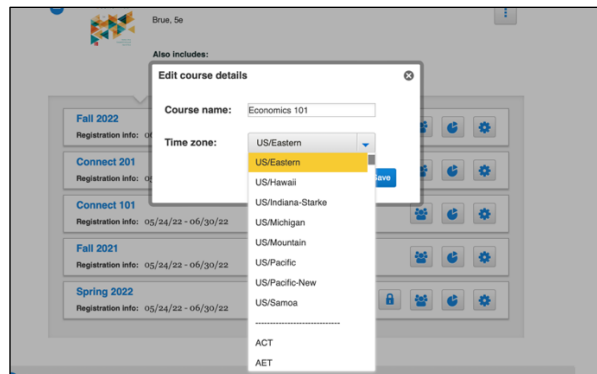

Starting on your **My courses** page, click the **course options** menu from the three dots on the right and select **Edit title / time zone**.

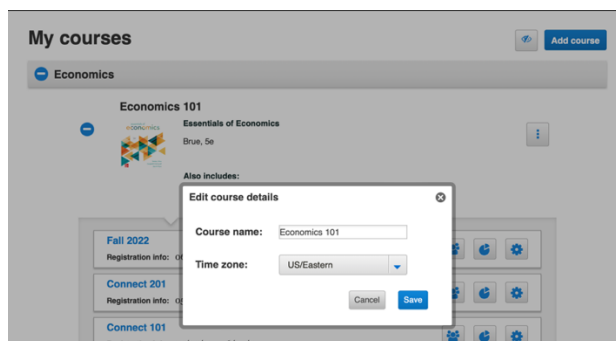

From the **edit course details** popup window, click on the Time Zone dropdown and select the correct time zone.

For the Eastern time zone, be sure to select “US/Eastern” to ensure your course stays current with daylight savings time.

After selecting your correct time zone, click save.

You will see a message that says, “Your course details have been successfully updated.”
