

Set the Time Zone for Your Connect Course

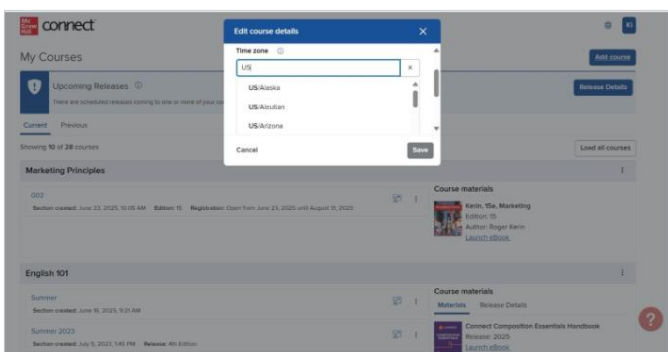

When setting up your Connect course, you will want to be sure your course details are set to the correct time zone.

Starting on your **My courses** page, click the **course options** menu from the three dots on the right and select **Edit course details**.

After selecting your correct time zone, click **save**. You will see a message at the top of your My Courses page that says, **“Your course details have been successfully updated.”**

From the **edit course details** popup window, click on the Time Zone dropdown and begin typing in the time zone you wish to select.

For Eastern time zone, be sure to select **“US/Eastern”** to ensure your course stays current with daylight savings time.
