Sync Connect Assignments with Blackboard

If you make changes to an assignment from Connect, Blackboard should automatically update. However, if you notice that a change you made in Connect has not updated in Blackboard, or if you notice scores for student work in Connect have not appeared in Blackboard, you will need to sync Blackboard to Connect to update those changes.

Log in and find McGraw Hill Higher Education Tool Start by logging into Blackboard and locating the McGraw Hill Higher Education tool from the lefthand column under course tools.

Sync All Latest or By Individual Assignment

You can either sync all the latest information on deployed assignments by or you can sync with individual assignments. Syncing with either option will show the assignments that have been updated.

all the latest changes to names, dates, point values, and student scores you made in Connect. Keep in mind that this sync will not affect any grades you have manually entered or changed for

Then click submit. This will update Blackboard with

grades you have manually entered or changed for Connect assignments in the Blackboard grade center.
