Introduction

Thank you for using McGraw Hill GO. The purpose of this document is to provide the steps and details needed to:

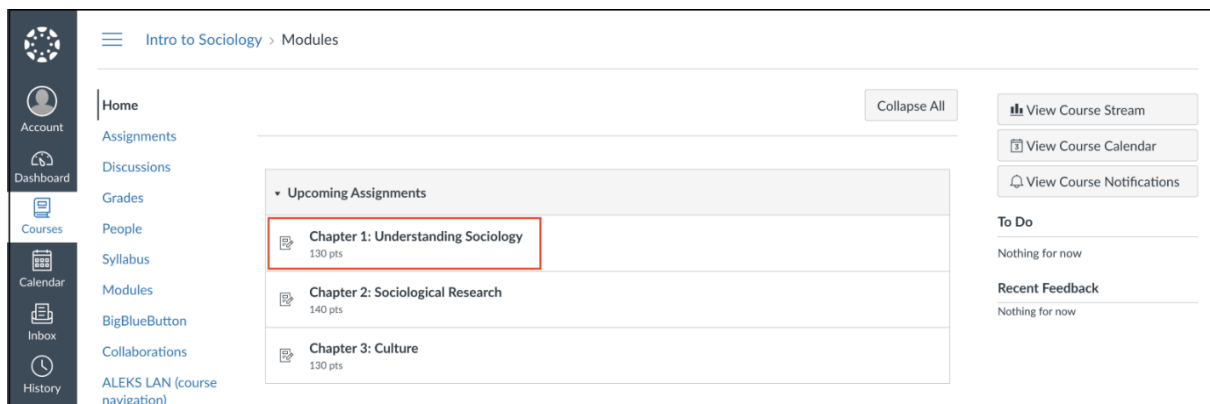

1. Access your McGraw Hill GO assignments
2. Complete your McGraw Hill GO assignments
3. Access GO eBooks on the ReadAnywhere app
4. Contact support for help with GO

McGraw Hill GO Student Set-up

Note: for optimal use of McGraw Hill GO, disable the pop-up blocker in your browser.

Access McGraw Hill GO

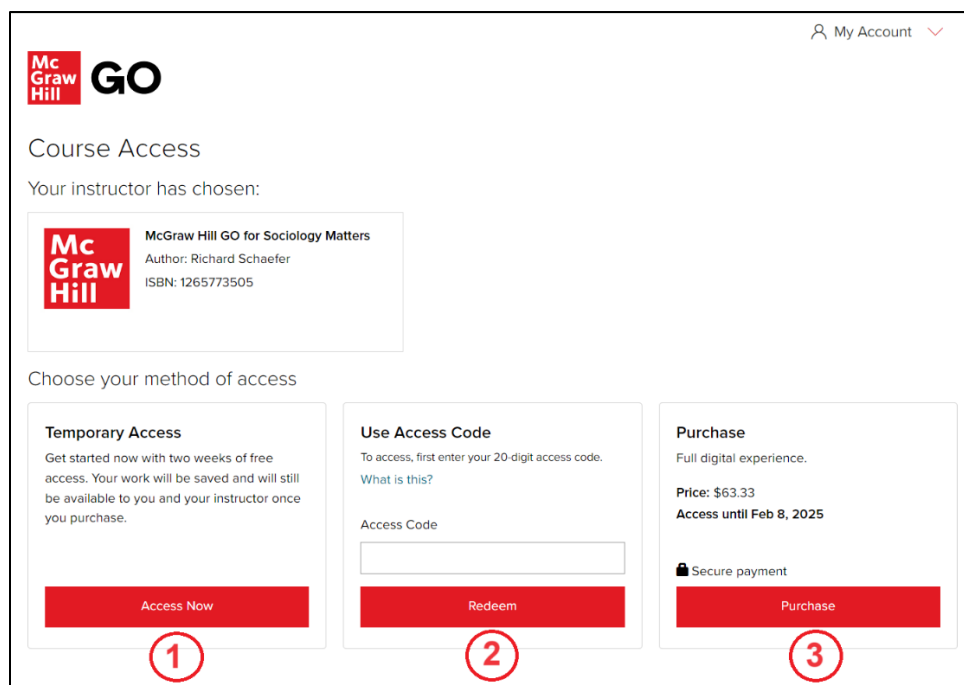

STEP 1: To access McGraw Hill GO, select a GO assignment from your Canvas assignments list.

If you are part of the Inclusive Access* program (*also known as First Day access or something similar, where students are provided with access to course materials on or before the first day of class), skip to STEP 3.

STEP 2: If you are not part of the Inclusive Access* program, you will have three access options:

1. **Temporary Access:** Select **Access Now** for two weeks of free access.
2. **Use Access Code:** Enter a McGraw Hill GO access code and click **Redeem**.
3. **Purchase:** Select **Purchase** to use a credit card or PayPal.

Choose an option, and then review the course information and access length and select **Confirm**.

My Account

Digital access to Go

You are activating 14 days of free temporary access to Go.

Access:

Your free temporary access will expire 14 days from today on **August 26, 2024**

Attempting an Assignment

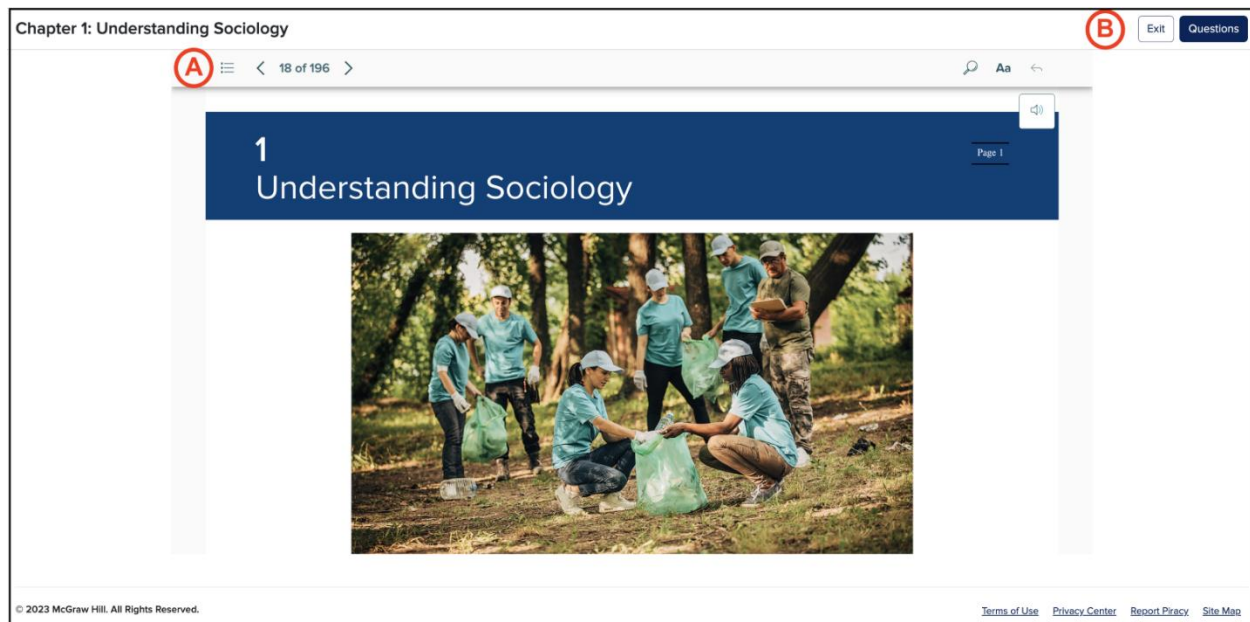

STEP 1: To start a GO assignment, select it from the assignment page or module page in Canvas.

STEP 2: Select **OK** to land in the reading portion of the assignment. If your assignment allows multiple attempts, you will see how many attempts you have remaining for this assignment.

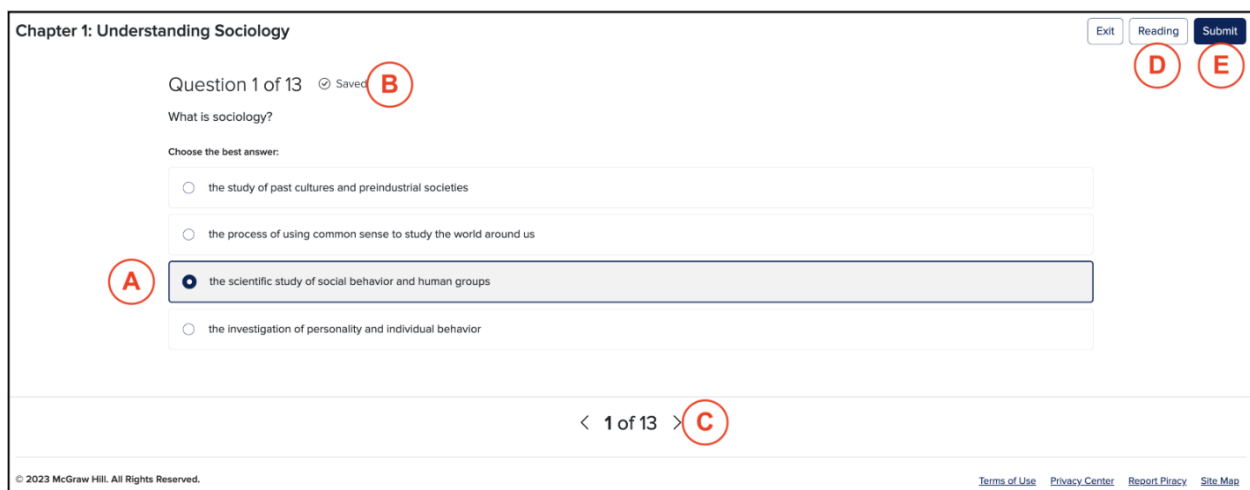

STEP 3: Use the eBook navigation menu **(A)** to read the assigned chapter. Select **Questions (B)** to access the assessment portion of the assignment.

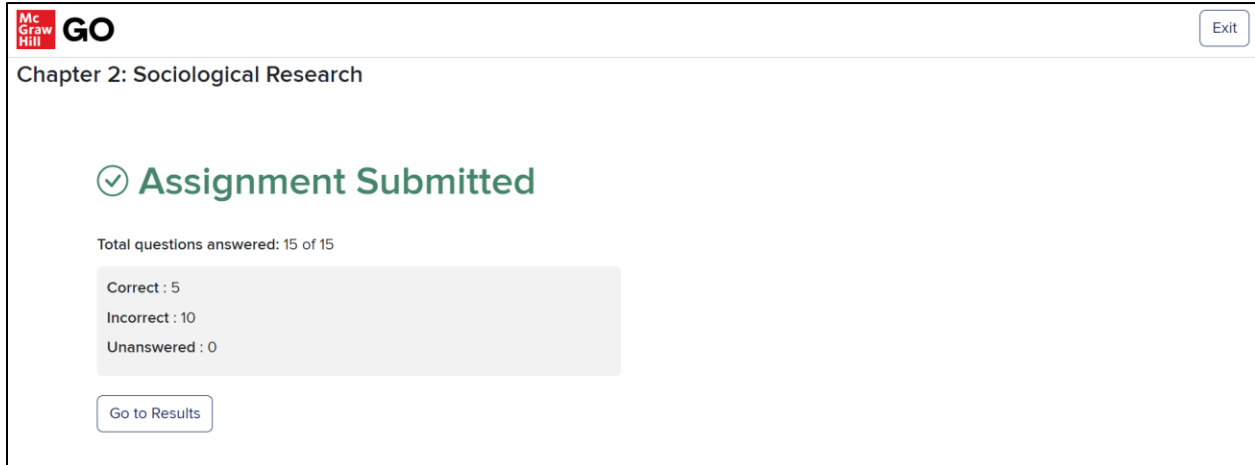

STEP 4: When in the questions you can:

- Answer questions **(A)**. Note that each time you select an answer your choice is saved **(B)**.
- Navigate between questions **(C)**.
- Return to the Reading **(D)**. Your answers will be saved. You can return to adjust your answers at any time, until you submit the assignment or the due date passes.
- Submit the assignment **(E)**.

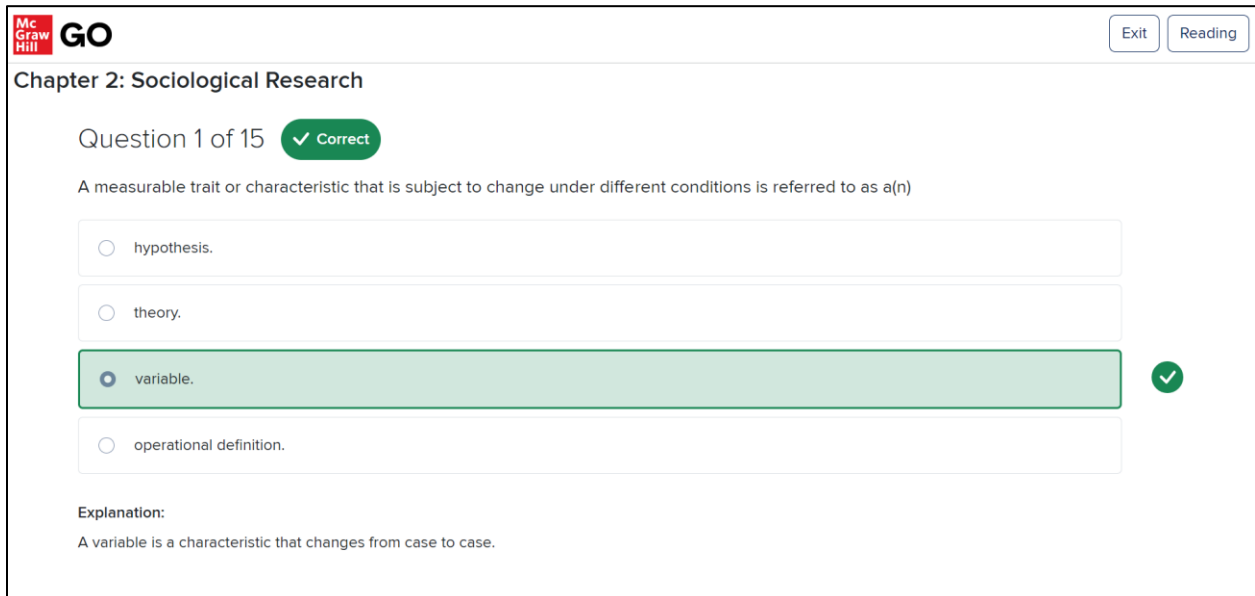

STEP 5: Select the **Submit** button when all questions have been answered and you are ready to submit your assignment.

If your assignment has only one attempt, you will see the Assignment Submitted page with your assignment results.

The screenshot shows the 'Assignment Submitted' page in the McGraw Hill GO interface. At the top left is the McGraw Hill logo and the word 'GO'. At the top right is an 'Exit' button. Below the header, it says 'Chapter 2: Sociological Research'. The main heading is 'Assignment Submitted' with a green checkmark icon. Below this, it states 'Total questions answered: 15 of 15'. A summary box shows 'Correct : 5', 'Incorrect : 10', and 'Unanswered : 0'. At the bottom left is a 'Go to Results' button.

Select **Go to Results** to review your responses and explanations for the assessment questions.

The screenshot shows the 'Question 1 of 15' page in the McGraw Hill GO interface. At the top left is the McGraw Hill logo and the word 'GO'. At the top right are 'Exit' and 'Reading' buttons. Below the header, it says 'Chapter 2: Sociological Research'. The question is 'Question 1 of 15' with a green 'Correct' badge. The question text is 'A measurable trait or characteristic that is subject to change under different conditions is referred to as a(n)'. There are four radio button options: 'hypothesis.', 'theory.', 'variable.', and 'operational definition.'. The 'variable.' option is selected and highlighted in green, with a green checkmark icon to its right. Below the options is an 'Explanation:' section that states 'A variable is a characteristic that changes from case to case.'

If your assignment has multiple attempts, you will see the Attempts Summary page with your assignment attempt results.

From this page you can take the following actions:

- Start a New Attempt **(A)**
- Forfeit Remaining Attempts **(B)**
- View Attempt Results **(C)**
- Return to Reading **(D)**
- Exit the assignment **(E)**

McGraw Hill GO

Attempts Summary

Chapter 1: The Exceptional Manager

Your highest score will be posted to your gradebook.

My Attempts 2 of 3

Attempt 2
Submitted: 2/27/2025, 2:05:01 PM
Score: **16.67%**
2 Correct | 10 Incorrect | 0 Unanswered
[Results](#)

Attempt 1 **Highest Score**
Submitted: 2/27/2025, 2:02:34 PM
Score: **41.67%**
5 Correct | 7 Incorrect | 0 Unanswered
[Results](#)

[Exit](#) [Reading](#) [Forfeit Remaining Attempts](#) [New Attempt](#)

You can review the details of your attempt results after each attempt. The attempt results show each question, your selected answer choice, and whether your selected answer choice is correct or incorrect.

For questions you answered incorrectly, you will not be able to see the correct answer and explanation until all attempts are completed or until remaining attempts are forfeited. See below for an example.

McGraw Hill GO

Chapter 1: The Exceptional Manager

Question 1 of 12 **Incorrect**

Ravi, a supervisor, is known by his managers to be sharp in his decisions and has a good track record of meeting his goals. Ravi is a(n) _____ manager.

☐ mentoring

☐ visionary

☐ effective

☒ efficient

[Exit](#) [Reading](#) [Attempts](#)

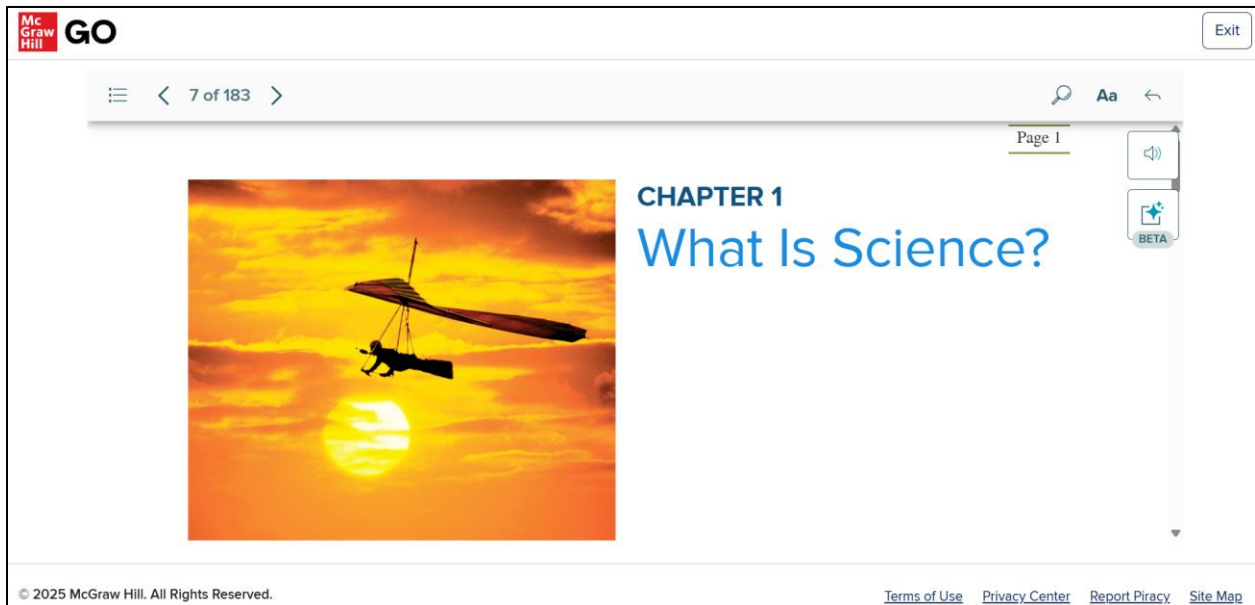

STEP 6: Select **Exit** to return to your section home.

Reading-Only Assignment

If your instructor has decided not to use the assessment questions with GO, you will not have the assessment questions in your GO assignments. This is essentially a reading-only assignment.

When you launch a GO assignment that does not have assessment questions, you will land in the reading. From here, you can read but you will not have the option to access questions. You can then exit to return to the LMS.

You will not receive GO assignment results, but your instructor will be able to see whether or not you launched the GO assignment.

The screenshot displays the McGraw Hill GO interface. At the top left is the McGraw Hill logo and the word "GO". In the top right corner is an "Exit" button. Below the logo, there is a navigation bar showing a list icon, a back arrow, "7 of 183", and a forward arrow. To the right of this bar are icons for search, font size (Aa), and a left arrow. Below the navigation bar, the page is titled "Page 1". The main content area features a large image of a hang glider silhouetted against a bright orange and yellow sunset sky. To the right of the image, the text "CHAPTER 1" is displayed in blue, followed by "What Is Science?" in a larger blue font. On the right side of the page, there is a vertical sidebar with a speaker icon, a plus icon, and a "BETA" label. At the bottom of the page, there is a footer with the copyright notice "© 2025 McGraw Hill. All Rights Reserved." and links for "Terms of Use", "Privacy Center", "Report Piracy", and "Site Map".

ReadAnywhere App

Instructors and students have access to their McGraw Hill GO eBooks on mobile devices through the ReadAnywhere app. The ReadAnywhere App includes:

- Offline reading – study anytime, anywhere
- One interface for all McGraw Hill eBooks
- Highlighting and note-taking
- Video, audio, and interactive activities included for select titles
- Syncs across platforms, always up to date
- Available for Android and iOS

How to Log into ReadAnywhere

- Install and open the ReadAnywhere app
- If the same email address is used to log into both Connect and the GO LMS course, log into ReadAnywhere with the Connect credentials.
- If the user does not have a Connect account, click “forgot password” in ReadAnywhere instead of logging in.
- On the Password Assistance page, enter the email address used to access the GO LMS course.
- A link will be sent to the email address to reset the password. Click the link and follow the instructions to reset the password.
- After the password is reset, open ReadAnywhere and log in with the email address and the new password just created.
- The user should see eBooks from GO courses in their ReadAnywhere library.

Please note:

- GO assignments are not currently supported in the ReadAnywhere app, just GO eBooks.
- If the same email address is used to log into both Connect and the GO LMS course, a user may see both Connect eBooks and GO eBooks in their ReadAnywhere library.
- A user will not see the GO eBook in ReadAnywhere until they launch their first GO assignment from their LMS.
- If a user registers for GO with temporary access, they will see GO eBooks in ReadAnywhere until temporary access expires. They will need to purchase GO to continue seeing the GO eBook in ReadAnywhere. If temporary access expires and they do not purchase GO, they will lose access to the GO eBook in ReadAnywhere.
