Technology Integration Set-Up

- Read: Technology Integration Set-Up Overview
- Explore: McGraw Hill Student Resources

Step 2

Review the Overview page for information about your course's technology integration. When ready, click “**Next**” to continue. This will open the resource page in a new tab of your browser. When you are ready to return to Canvas, click the open tab.

Read: Technology Integration Set-Up Overview

Your course utilizes a third-party publisher and must be set-up. Please navigate through the next two pages to:

1. Review the instructions and tutorials to register for and navigate Connect on the **Explore: McGraw Hill Student Resources** page
 - o Register for ALEKS
 - o Additional Resources
 - o Technical Assistance
2. Register for ALEKS on the **Prepare: Register for ALEKS** page
 - o You will need to click on the link provided to finalize your ALEKS registration.

Select Another Platform

Step 3

After you return to Canvas, click the “**Next**” button

A screenshot of a Canvas LMS interface. On the left is a "COURSE MENU" with links for Home, Announcements, Assignments, Discussions, Quizzes, and Grades. The main content area shows a breadcrumb trail: "MATH114_LU... > Modules > Course Overv...". Below this is a link "Explore: McGraw Hill Student Resources". A message states "This site was opened in a new browser window." with a button "OPEN EXPLORE: MCGRAW HILL STUDENT RESOURCES IN A NEW WINDOW". At the bottom of the content area are two blue buttons: "PREVIOUS" on the left and "NEXT" on the right. The "NEXT" button is highlighted with a red rectangular border.

Step 4

Click the **Load** button to launch ALEKS.

The screenshot shows a Canvas LMS interface. At the top left, there are logos for Liberty University (LU) and Canvas. At the top right, there is an 'Account' link. Below the logos, a breadcrumb trail reads: COURSE MENU > MATH114_LUO_MA... > Modules > Course Overview > Prepare: Register for ALEKS. On the left side, there is a vertical navigation menu with the following items: Home, Announcements, Assignments, Discussions, Quizzes, Grades, People, **Modules** (highlighted with a grey bar), My Media, and Bookstore. In the main content area, there is a text message: 'This tool needs to be loaded in a new browser window'. Below this message is a blue button labeled 'LOAD PREPARE: REGISTER FOR ALEKS IN A NEW WINDOW'. A large red arrow points from the left towards this button.

Step 5

If this is your first time registering for ALEKS Math, choose the **“No, I have never used ALEKS before.”** link. You will then be prompted to set up your account.

If you have used ALEKS before, select the **“Yes, I have an ALEKS login name.”** link and enter both your **ALEKS Login Name** and **Password**.

If you can't remember your login details, use the **“I forgot my login information”** link.

Click **“Continue”** to proceed.

ALEKS

Welcome to ALEKS!

Have you used ALEKS before?

No, I have never used ALEKS before.

Yes, I have an ALEKS login name.

Log Into Account

ALEKS Login Name

Password

Step 6

This step is if you are setting up your ALEKS account for the first time.

The information should be pre-filled based on what was passed over from Canvas.

Review the information and make any necessary adjustments.

Click to accept the Terms of Use.

Click **“Continue”** to proceed.

ALEKS®

Registration

* Required

Enter Your Personal Information

First name *

Middle initial

Last name *

Enter Your E-mail Address

Email address *
Example: myname@schoolmail.edu

Confirm email *

Review and Accept Terms of Use

I agree to the Terms of Use , Consumer Purchase Terms , and Privacy Notice

Step 7

Whether you have just created your new ALEKS account or have logged into your existing account, you will then receive confirmation of your pairing. You should only have to do this **once**.

When ready, click **“Continue”** to access your ALEKS course.

Step 8

You'll arrive to your **My Classes** page, where you can see any of your registered courses and access your course throughout the subterm.

If this is your first time in ALEKS, you'll see an overview of the experience. Click "**Continue**" to access the **My Classes** page.

Step 9

Click on the name of your course to access it.
