Technology Integration Set-Up

- Read: Technology Integration Set-Up Overview - BUSI 201**
- Explore: McGraw Hill Student Resources
- Prepare: Register for SIMnet

## Step 2

Review the Overview page for information about your course’s technology integration. When ready, click **“Next”** to continue. This will open the resource page in a new tab of your browser, which contains multiple tutorials and contact information for technical support. When you are ready to return to Canvas, click the open tab.

Read: Technology Integration Set-Up Overview - BUSI 201

Your course utilizes a third-party publisher and must be set-up. Please navigate through the next two pages to:

1. Review the instructions and tutorials to register for and navigate Connect on the **Explore: McGraw Hill Student Resources** page
  - Register for Connect
  - Additional Resources
  - Technical Assistance
2. Register for Connect on the **Prepare: Register for SIMnet** page
  - You will need to click on the link provided to finalize your Connect registration.

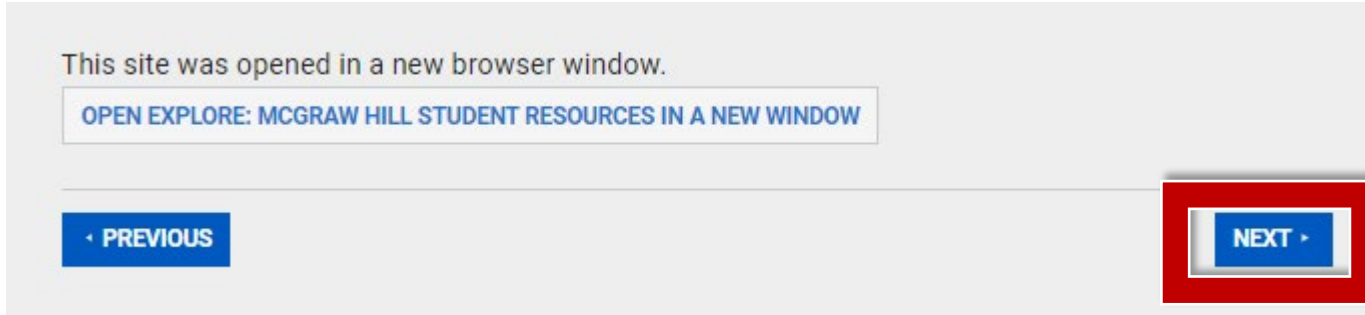

[PREVIOUS](#) [NEXT](#)

The screenshot shows a web browser window with two tabs: 'Explore: McGraw Hill Student Resources' and 'Liberty University Success | Connect'. The address bar shows the URL: [mheducation.com/highered/explore/schools/liberty-students/connect-canvas.html](https://mheducation.com/highered/explore/schools/liberty-students/connect-canvas.html). The page header includes the McGraw Hill logo, navigation links for PreK-12, Higher Ed (selected), Professional, International, and About, a search bar, and links for Get Support, Sign In, and Cart. The main content area shows 'Browse by Discipline', 'Learning Solutions', 'Ideas & Events', 'Support', and 'Log In to Product'. At the bottom, there is a 'LU SUCCESS HOME > Connect Resources' link and a 'Select Another Platform' dropdown menu.

## Step 3

After you return to Canvas, click the “**Next**” button

## Step 4

Click the **Load** button to launch SIMnet.

The screenshot shows the top navigation bar of a Canvas LMS interface. On the left, there is a logo for Liberty University (LJ) and the Canvas logo. On the right, there are links for 'Account', 'Dashboard', 'Courses' (which is underlined), and 'Calendar'. Below the navigation bar, the breadcrumb trail reads 'BUSI201\_LUO... > Modules > Course Overv...'. A 'COURSE MENU' button is visible on the left side of the course page. The menu items listed are 'Home', 'Announcements', 'Assignments', 'Discussions', 'Quizzes', and 'Grades'. A red arrow points from the 'COURSE MENU' area to a button labeled 'LOAD PREPARE: REGISTER FOR SIMNET IN A NEW WINDOW'. Above this button, a text box states 'This tool needs to be loaded in a new browser window'.

## Step 5a – Create New SIMnet Account

SIMnet will open in a new tab. If you do not already have an account, select the toggle “**No, create new account**” (A), and then click “**Create Account**” (B) to continue.

 **SIMnet**

---

**Already have a SIMnet account?**

Yes, sign in now  No, create new account

**A**

---

**Welcome**  
We will create an account for you based on the information we already have.

By continuing, I agree to McGraw-Hill's [Terms of Service](#), [Terms of Use](#) and [Privacy Policy](#).

**B**

## Step 5b – Sign In with an Existing Account

If you do have an account, select the toggle “Yes, sign in now” (A), enter your username and password (B), and click “Sign In” (C) to continue.

There is also a “**Forgot SIMnet Sign In credentials?**” link in case you need to reset your password.

The screenshot shows the McGraw Hill SIMnet sign-in interface. At the top, the McGraw Hill logo and 'SIMnet' text are displayed. Below this, a question asks 'Already have a SIMnet account?'. Two radio buttons are present: 'Yes, sign in now' (which is selected and highlighted with a red box and the letter 'A') and 'No, create new account'. Underneath, the heading 'Sign In with your SIMnet credentials' is shown. A red box labeled 'B' encompasses the 'Username:' field (containing 'mh\_studentsupport') and the 'Password:' field (with masked characters and a cursor). Below the password field is a yellow link that says 'Forgot SIMnet Sign In credentials?'. At the bottom, there is a 'Cancel' button on the left and a 'Sign In' button on the right, which is highlighted with a red box and the letter 'C'. A line of text at the bottom states: 'By continuing, I agree to McGraw Hill's [Terms of Service](#), [Terms of Use](#) and [Privacy Policy](#).'

## Step 6

You are now registered to your SIMnet course. You will see a list of all your SIMnet assignments on your homepage.

When you are ready to return to Canvas, you can click on your Canvas tab (A), or “X” out of the SIMnet tab (B).

The screenshot shows the SIMnet course homepage for BUSI 201 (LUO) in Spring D 2022. The interface includes a navigation menu on the left, a search bar, and a grid of assignment tiles. Two red arrows point to specific elements: arrow A points to the 'Prepare: Register for SIMnet' browser tab, and arrow B points to the 'X' icon in the SIMnet browser tab. The assignment tiles are organized into a grid with the following details:

| Assignment Title                                   | Due Date |
|----------------------------------------------------|----------|
| Read & Interact: Excel Pre-Requisite Review        | NONE     |
| Project: Challenge Yourself 1.3 Assignment         | NONE     |
| Project: Challenge Yourself 4.3 (Excel) Assignment | NONE     |
| Read & Interact: Excel Functions                   | NONE     |
| Project: Skill Review 3.2 Assignment               | NONE     |
| Project: Fix It 3.6 Assignment                     | NONE     |
| Read & Interact: Advanced Excel Functions          | NONE     |
| Project: Skill Review 6.2 Assignment               | NONE     |
| Read & Interact: Excel Formulas & Charting         | NONE     |
| Quiz: Excel Formulas & Formatting                  | NONE     |
| Read & Interact: Charting                          | NONE     |
| Project: Skill Review 7.1 Assignment               | NONE     |
