Technology Integration Set-Up

- Read: Technology Integration Set-Up Overview - BUSI 201**
- Explore: McGraw Hill Student Resources
- Prepare: Register for SIMnet

Step 2

Review the Overview page for information about your course’s technology integration. When ready, click **“Next”** to continue. This will open the resource page in a new tab of your browser, which contains multiple tutorials and contact information for technical support. When you are ready to return to Canvas, click the open tab.

The screenshot shows a web browser window with two tabs: 'Explore: McGraw Hill Student Resources' and 'Liberty University Success | Connect'. The address bar shows the URL: mheducation.com/highered/explore/schools/liberty-students/connect-canvas.html. The page header includes the McGraw Hill logo, navigation links for PreK-12, Higher Ed (selected), Professional, International, and About, a search bar, and utility links for Get Support, Sign In, and Cart. The main content area shows 'Browse by Discipline', 'Learning Solutions', 'Ideas & Events', 'Support', and 'Log In to Product'. At the bottom, there is a 'LU SUCCESS HOME > Connect Resources' breadcrumb and a 'Select Another Platform' dropdown menu with the Liberty University logo.

Step 3

After you return to Canvas, click the “**Next**” button

Step 4

Click the **Load** button to launch SIMnet.

The screenshot shows the top navigation bar of a Canvas LMS interface. On the left, there is a logo for 'LJ' and 'CANVAS'. On the right, there are links for 'Account', 'Dashboard', 'Courses' (which is underlined), and 'Calendar'. Below the navigation bar, the breadcrumb trail reads 'BUSI201_LUO... > Modules > Course Overv...'. A 'COURSE MENU' button is visible on the left side of the course page. The menu items listed are 'Home', 'Announcements', 'Assignments', 'Discussions', 'Quizzes', and 'Grades'. A red arrow points from the 'COURSE MENU' area to a button labeled 'LOAD PREPARE: REGISTER FOR SIMNET IN A NEW WINDOW'. Above this button, a text box states 'This tool needs to be loaded in a new browser window'.

Step 5a – Create New SIMnet Account

SIMnet will open in a new tab. If you do not already have an account, select the toggle “**No, create new account**” (A), and then click “**Create Account**” (B) to continue.

 **SIMnet**

B

Step 5b – Sign In with an Existing Account

If you do have an account, select the toggle “Yes, sign in now” (A), enter your username and password (B), and click “Sign In” (C) to continue.

There is also a “**Forgot SIMnet Sign In credentials?**” link in case you need to reset your password.

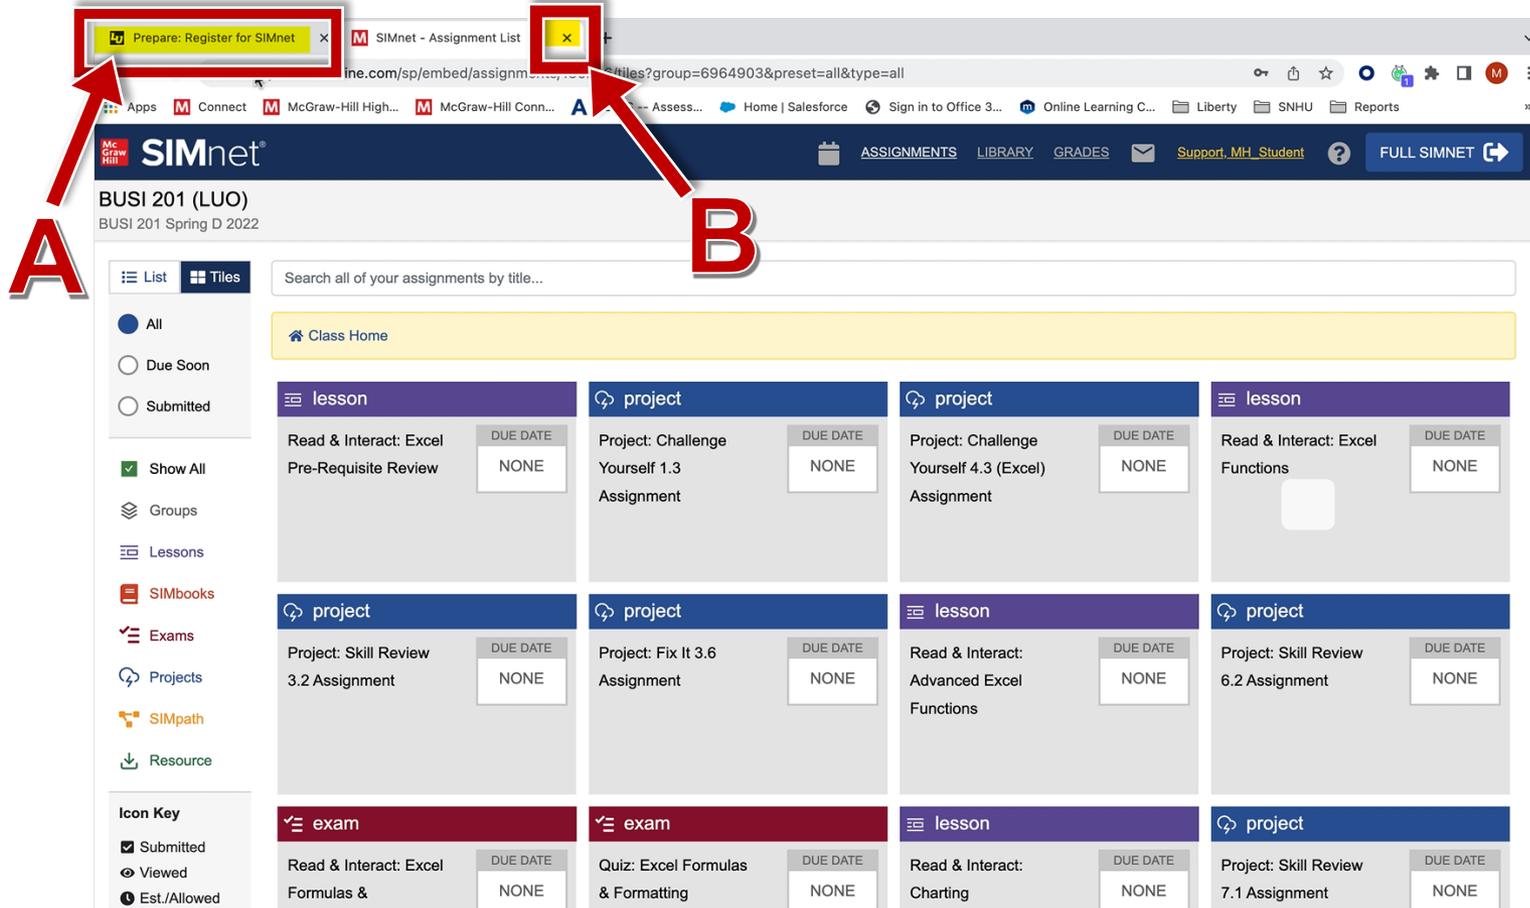

The screenshot shows the McGraw Hill SIMnet sign-in interface. At the top, the McGraw Hill logo and 'SIMnet' are displayed. Below this is the question 'Already have a SIMnet account?' with two radio button options: 'Yes, sign in now' (labeled A) and 'No, create new account'. Underneath is the heading 'Sign In with your SIMnet credentials'. A red box labeled B encompasses the 'Username:' field (containing 'mh_studentsupport') and the 'Password:' field (with masked characters). Below the password field is a yellow link that says 'Forgot SIMnet Sign In credentials?'. At the bottom left is a 'Cancel' button, and at the bottom right is a blue 'Sign In' button (labeled C). A line of text at the bottom states: 'By continuing, I agree to McGraw Hill's [Terms of Service](#), [Terms of Use](#) and [Privacy Policy](#).'

Step 6

You are now registered to your SIMnet course. You will see a list of all your SIMnet assignments on your homepage.

When you are ready to return to Canvas, you can click on your Canvas tab (A), or “X” out of the SIMnet tab (B).
