## What is ELLevate English?

**ELLevate English** is an innovative new six level English Language Learning (ELL) Course.

It combines the learning science behind McGraw Hill Education's leading high quality global content with a proven digital platform in one complete course. This flexibility of printed and modular online content empowers and supports teachers to give their students real-world communication and critical thinking skills.

## What makes ELLevate English so different?

ELLevate English provides learners with the skills and critical thinking needed for success in today's world. Based in real-life experiences it will transform their understanding through practical, inspiring and multi-dimensional coursework.

### A new kind of teaching:

#### Increased Student Engagement

ELLevate English combines engaging resources with innovative auto-grading. This helps to teach more effectively and continuously assess student progress for faster learning and more responsive course customization.

#### Data-Driven for Efficiency

ELLevate English's powerful analytics maximize efficiency, allowing teachers to target instruction where students need it the most.

#### Open Platform for Flexibility

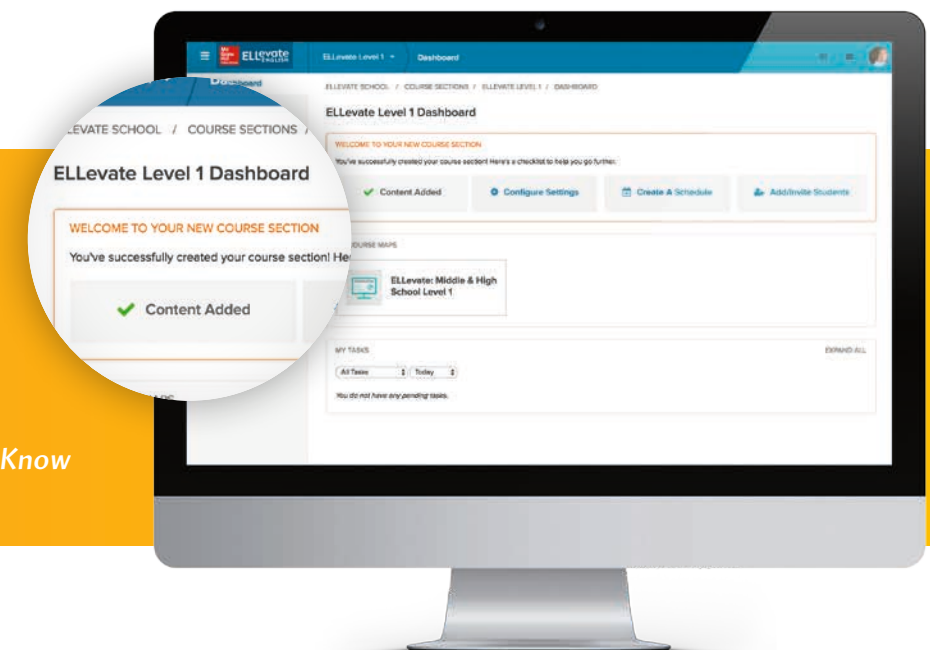

ELLevate English delivers the modular flexibility for teachers to create, modify and enhance coursework to suit their classes.

#### Focused on 21st Century Skills

ELLevate English provides learners with the skills and critical thinking needed for success in today's world.

### Course structure:

- ▶ Levels of instruction aligned to CEFR Levels A1-B2 for grades 7-12
- ▶ Modular content built around Essential Questions for critical thinking
- ▶ 12 instructional units per level
- ▶ Every module ends with a *Use What You Know* review unit and project

Vibrant content  
unlocks the potential  
of every learner

Engaging

## Teaching to the max

### Faster Results Online

Preparing students for the 21st Century is easy with the multi-format approach of ELLevate English. Classes can be graded in real time to give an instant overview of group and individual progress. The powerful digital engine combines proven teaching techniques and online assessment to achieve progress more quickly.

### Student-Focused

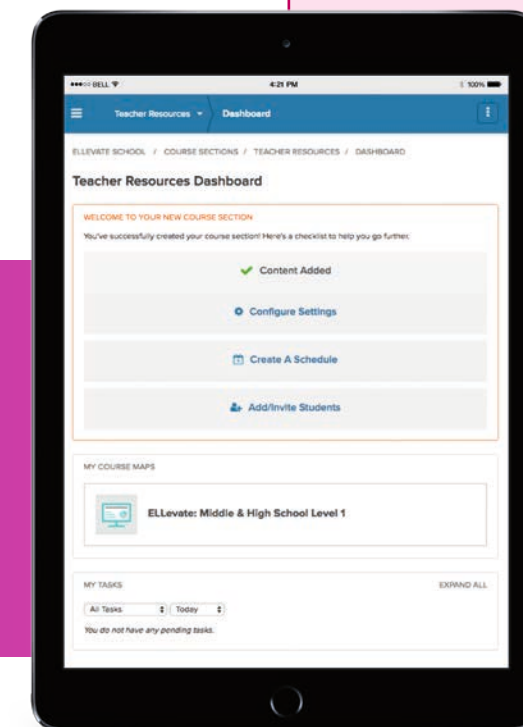

The ELLevate English modular coursework allows teachers to deliver a truly optimized learning experience. This helps to make the most of a student's potential. Coursework access over multiple devices allows students to learn in and out of the classroom.

1. Powerful analytics at student and class level combined with leading LMS functionality
2. Auto-grading capability
3. Teachers can analyze data to help increase efficiencies in teaching and learning, and to target instruction where students need it the most
4. Saves time and maximizes efficiency

## Focused on 21st Century Skills

ELLevate English provides learners with the skills and critical thinking needed for success in today's world.

- 6 levels tagged and aligned to CEFR standards
- Critical and creative thinking activities incorporated throughout the program to prepare students for living and working
- Digital literacy encouraged through a range of interactive tools to teach the skills necessary to thrive in the digital world
- *Creative Zone* explores creative thinking and the application of practiced language skills

Makes the most of every minute in the classroom

## Components and Course Structure

1. Student Book in both Print and Digital
2. Workbook in both Print and Digital
3. Online Teacher's Guide
4. Digital and Print Assessment Program
5. Learning Management System with analytics and reporting
6. Digital Games for home and classroom

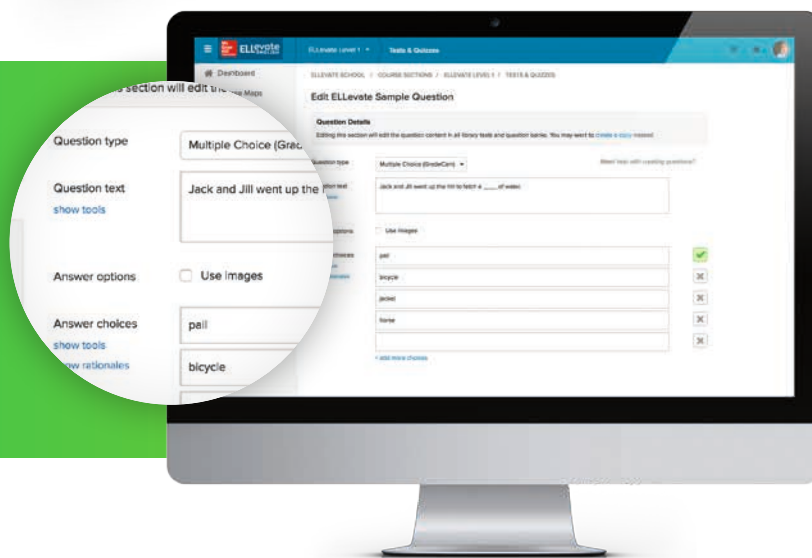

## More power to your students

### Increased Student Engagement

ELlevate English combines engaging resources with innovative auto-grading. This helps to teach more effectively and continuously assess student progress for faster learning and more responsive course customization.

### A Passion for Learning

- Students succeed when they are engaged, excited and enjoy their learning. ELlevate English achieves this by building positive teacher-student engagement
- Digital tools take the learning experience from a flat, 1D experience, to an inspiring and engaging multi-dimensional learning experience
- The digital program encourages active participation with video, audio and online assessment

Helps learners develop the 21st century skills they need for success
