Allan/Basco

ISBN: 1259900061 / 9781259900068 / © 2021

available in

connect®

McGraw-Hill knows how much effort it takes to prepare for a new course. Through focus groups, symposia, reviews, and conversations with instructors like you, we have gathered information about what materials you need in order to facilitate successful courses. We are committed to providing you with high-quality, accurate instructor support.

SEE LIST OF CHANGES ATTACHED.

SupportAtEveryStep.com: Your place for above and beyond in-person and self-service support.

It All Starts with You >>

McGraw-Hill Connect® is a course management and adaptive learning solution that enhances your unique voice and teaching style. As your partner, we're committed to helping you achieve your course goals and unlock student potential. That's why we've made meaningful updates to this edition.

New In Connect:

SmartBook® 2.0 – Our adaptive reading experience has been made more personal, accessible, productive, and mobile.

Application-Based Activities – These highly interactive, automatically graded exercises provide students a safe space to practice using problem-solving skills to apply their knowledge to realistic scenarios. Each scenario addresses key concepts and skills that students must use to work through and solve course specific problems, resulting in improved critical thinking and relevant workplace skills.

Additional Value When You Upgrade:

- **NEW!** Free mobile access to SmartBook 2.0 assignments and the digital textbook with the ReadAnywhere app.
- **NEW!** Remote proctoring and browser-locking capabilities allowing for more control over the integrity of online assessments.
- **NEW!** Ability to create enhanced assignments personalized to each student's needs.
- Accessibility and student data security enhancements.
- More advanced student and class reporting capabilities.
- 99.99% platform uptime.
