More Student-Centered >>

McGraw-Hill Connect® is a course management and adaptive learning solution that enhances your unique voice and teaching style. As your partner, we're committed to helping you achieve your course goals and unlock student potential. That's why we've made meaningful updates to this edition.

New in Connect for this Course:

SmartBook 2.0 – Our adaptive reading experience has been made more personal, accessible, productive, and mobile.

Writing Assignment – This assignment type delivers a learning experience that helps students improve their written communication skills and conceptual understanding. As an instructor, you can assign, monitor, grade, and provide feedback on writing more efficiently.

Value of Connect Upgrade Features:

- **NEW!** More mobility. Free access to the ReadAnywhere app and a Connect Tablet App allowing students full access to their Connect course to complete assignments, read their eBook, and check their grades just like they would on a laptop browser.
- **NEW!** Integration of Proctorio provides remote proctoring, browser-locking capabilities, and verification options.
- **NEW!** More instructor flexibility in assigning content & creating review assignments personalized to students' weakest areas.
- **NEW!** Writing Assignment tool.
- Accessibility enhancements.
- More advanced student and class reporting capabilities
- World-class reliability and platform uptime
- Option for students to purchase a loose-leaf version of the text at a significant discount.

And, with our new partnership with the Online Learning Consortium (OLC) we can provide an even higher level of expertise and support when transitioning your course.
