2nd Edition

Steven Jones/ Andrew Cavanagh

ISBN: 1260017737 / 9781260017731 / © 2020

Medical Language Accelerated bridges the gap between the two somewhat disparate fields that make up medical terminology-medicine and second-language acquisition-by providing assistance in language skills to equip health care professionals with the ability to learn and apply a useful skill and not lists of words. It will also equip language professionals with real-world examples that make their knowledge of languages applicable to working in the world of health care.

New to the Second Edition!
- Body system chapters have word tables focusing on radiology, oncology, and pharmacology.
- Overview of burns (Chapter 3)
- Expanded coverage of sexual transmitted infections (Chapter 12)
