### **Detailed List of New Features**

Robert and Jeanette Lauer's *Marriage & Family: The Quest for Intimacy, 9e* is the essential textbook and practical guide to marriage and family life that explores the context and meaning of intimate relationships and how they are formed, the dynamics of marriage, and the nature and challenges of family relationships in all their stages. With more than 200 new references to the professional literature and the most recent government data on marriage, family, and modern-day relationships, this new edition provides both research-based knowledge and engaging, practical information to help students reflect and connect, including personal stories and real experiences that illustrate key principles and concepts. This book will not only help students deepen their understanding of marriage and family, but encourage them to apply this knowledge to their own lives and intimate relationships.

The Connect course for this offering includes SmartBook, an adaptive reading and study experience which guides students to master, recall, and apply key concepts while providing automatically-graded assessments.
