Detailed List of New Features

A new Unit 4, chapters 10, 11, 12 has been rewritten based on market feedback.

The third edition of MAS incorporates clearly stated objectives at the beginning of every chapter and can-do statement self-checks at the end of every chapter.

The new En pantalla feature includes a mix of journalistic reports, informational videos, and short films that represent the variety of videos people watch daily.

The new authentic minilecturas and lecturas have been revised based on market feedback

More open-ended communication in an enhanced Tertulia section.

En la comunidad (formerly En tu comunidad) sections focus on real, target-language-based tasks that students can perform with emphasis on the idea that community extends beyond the immediate community or neighborhood and across the globe.

New auto-graded practice and comprehension activities in Connect.

Revised instructor annotations in the instructor edition are now also available in an eBook format via Connect.

Go mobile and improve outcomes

The incredibly popular LearnSmart modules for vocabulary and Grammar had been updated to align with the changes made in this edition.

The new edition now includes at least four activities for each grammatical lesson, providing students more opportunities to strengthen skills and communicate in a meaningful way.
