

# Synchronize with Section

Throughout the Term, you may need to Synchronize your Connect Section with Blackboard. As a Best Practice, you will want to do a Synchronize with Section if you:

- Make any edits to your assignments.
- Edit any Start Dates and/or Due Dates.
- Provide any assignment Extensions to Individual Students.
- Need to Synchronize any grade that have not automatically populated into your Blackboard Gradebook.

**Step 1: Log into your Blackboard Course. Click on “Course Tools” > McGraw-Hill Higher Education. Click on “Synchronize with Section”.**

The screenshot displays the Blackboard interface for a course. On the left, the 'Course Tools' menu is visible, with 'McGraw-Hill Higher Education' highlighted by a red box. A red arrow points from this menu item to the 'Synchronize with Section' button in the main content area. The main content area shows the 'McGraw-Hill Higher Education' page, which includes a 'Synchronize with Section' button (also highlighted with a red box) and several informational sections: 'Go to My Connect Section', 'Learn about McGraw-Hill Connect', 'McGraw-Hill Connect Library', 'LearnSmart', and 'Lecture Captures'. The 'Synchronize with Section' button is accompanied by a red box and a red arrow pointing to it.

**Step 2: You will see a list of assignments to be Synchronized. Everything should show as *Updated* or *Repaired*. If anything shows as *Broken*, please see Resources on “Repairing Broken Links”. Click “Submit” to continue.**
