Connect Student

Palm Beach State College

I used Connect because...

“I believe it is a good tool that helps me delve deeper into my studies and clearly lays out the information I need to learn.”

Connect helped me by...

“giving me an organized and systematic way to study.”

I would recommend Connect to students who...

“have trouble organizing their studies and are looking for a more systematic and approachable way.”

The thing I liked most was...

“how every assignment was broken down and laid out into more easily absorbable material.”

The result in my grade improvement was...

“significant and really made me happy that I started using Connect.”

I found the experience...

“refreshing and one I’m glad I didn’t miss out on.”

Connect made me happy because...

“it made studying pleasurable and less complicated than I thought it would be.”
