Marketing

University of Southern Mississippi

Connect made me happy because...

"it helps me deliver content to a giant section (350+) of students."

My experience using Connect was...

"seamless. We transitioned to Canvas this semester and Connect synced perfectly with it. No issues at all!"

I chose Connect because...

"it is a comprehensive course delivery tool."

Connect helped me improve my course by...

"offering tailored practice and quizzes to my class of 350 students."
