Kathleen Andersen

Senior Lecturer

Department of Anatomy & Cell Biology

University of Iowa Carver College of Medicine

**Connect made
me happy
because...**

“I get to keep learning too!”

**My experience
using Connect
was...**

“My experience using Connect was at first a challenge (as it is very hard to teach an old dog new tricks!) but has now become a thrill to see what new tools the team will introduce!”

**Connect helped
me improve
my course by...**

“My courses were significantly improved by Connect because students now have myriad perspectives to learn a specific lesson if I am unable to ‘break through’ to that student.”

**I chose Connect
because...**

“The Connect team at McGraw-Hill Education has amassed such a diverse set of quality vetted tools, which have added to the integrity of my courses.”
