Connect Student

Palm Beach State College

#### I used Connect because...

“it is required for my class.”

#### Connect helped me by...

“Performing better in my studies and getting homework done on time.”

#### I would recommend Connect to students who...

“Are in college because it helps a lot with knowing material and getting work done perfectly”

#### The thing I liked most was...

“it was very easy to understand all the material given.”

#### The result in my grade improvement was...

“tremendous because I have a high A.”

#### I found the experience...

“Good because I got to finish all my work and score good grades”

#### Connect made me happy because...

“I am passing my class with an A and that’s all I ever want.”
