**Quintidra Woodard**

Connect Student

Bossier Parish Community College

**Connect helped me by...**

“showing me better ways to understand something and it also helped me with slideshows and other resouces.”

**I would recommend Connect to students who...**

“want to be prepared ahead of time.”

**I used Connect because...**

“it helps me study more and focus on things I really couldn’t understand.”

**The result in my grade improvement was...**

“I plan on using connect to keep my grade up and be more prepared.”

**The thing I liked most was...**

“the feedback I got back immediately.”

**I found the experience...**

“very helpful and useful.”

**Connect made me happy because...**

“I understand concepts better than I did before.”
