Connect Student
Southwestern Illinois College

The result in my grade improvement was...

"very good. It helped me to learn quickly and apply it."

Connect helped me by...

"providing study materials, quizzes and repetition which helped me learn concepts."

I would recommend Connect to students who...

"are taking challenging courses."

I found the experience...

"very helpful and rewarding."

Connect made me happy because...

"I geeked that it streamlined my study experience."

The thing I liked most was...

"quizzes and repetition, which is how I learn best."
