Connect Student

University of Houston, Main Campus

#### I use Connect because...

“it was required by my marketing professor.”

#### Connect helped me by...

“assisting me with my homework assignments and better time management/study skills.”

#### The result in my grade improvement was...

“great! The end result was a better grade and more organized course schedule.”

#### The thing I liked most was...

“that it was adaptable to my own personal study patterns and needs.”

#### I found the experience...

“exciting and interesting.”

#### Connect made me happy because...

“it gave me the help I needed when I needed it and helped keep my assignments organized.”

#### I would recommend Connect to students who...

“have a hectic schedule and need help understanding what they need to study and practice.”
