Connect Student  
Liberty University

### I use Connect because...

“the school required it for the class.”

### The result in my grade improvement was...

“fantastic. I do not know how well I would have done without Connect, but with Connect I was able to get an A!”

### Connect made me happy because...

“I was able to study smarter not harder.”

### The thing I liked most was...

“the interactive text and the mini quizzes that I could create for myself in preparation for an exam.”

### I would recommend Connect to students who...

“are taking any class!”

### Connect helped me by...

“allowing me to truly learn the material. Instead of just reading the textbook and taking notes, I was able to focus on the material that I was deficient in, which helped me get a better grade in the class.”

### I found the experience...

“user-friendly and worth the investment.”
