## Connect Student

Southwest Tennessee Community College

## I used Connect because...

“it helped me  
remember the  
materials better.”

## The thing I liked most was...

“I could practice  
on my own time.”

## Connect made me happy because...

“it has many diagrams to help you visualize the materials.”

## The result in my grade improvement was...

“I got an A.”

## Connect helped me by...

“giving me multiple choice questions.”

**I found the experience...**

“extremely helpful.”

**I would recommend Connect to students who...**

“are ready to do better and focus.”
