To learn more about McGraw-Hill Campus' free service, please contact your McGraw-Hill sales representative.

Steps for pairing:

Note: The steps below only need to be completed once for the pairing process. You will be able to directly launch into SimNet from your course on the McGraw-Hill Campus page going forward. The instructor needs to complete the pairing process before the students can start their pairing.

- 1) Locate and click on the McGraw-Hill Campus link in your LMS
- 2) Search for your student's ISBN or student's package ISBN and click **Find Now**.

Note: Please contact your sales rep if there are no search results for your ISBN.
