# Step 6: Select *I want this for my students* then *Adopt Connect*

The screenshot displays the McGraw-Hill Education Connect user interface. At the top, a navigation bar includes the text "You are currently using McGraw-Hill Education Connect." and two buttons: "<< Return to MH Campus" and "I want this for my students". The latter button is highlighted with a red box. Below the navigation bar, the user's name "Christina Thomas" and links for "My account", "Help", and "Sign out" are visible. The main content area is titled "My courses" and shows a course titled "Accounting". Underneath, a book listing for "Computer Accounting with QuickBooks Online, 1e" is displayed, including details like "SmartBook" and "Also includes: Kay, Computer Accounting with QuickBooks Online, 1e (eBook)".

A modal dialog box titled "Campus" is overlaid on the right side of the screen. It contains the following text and elements:

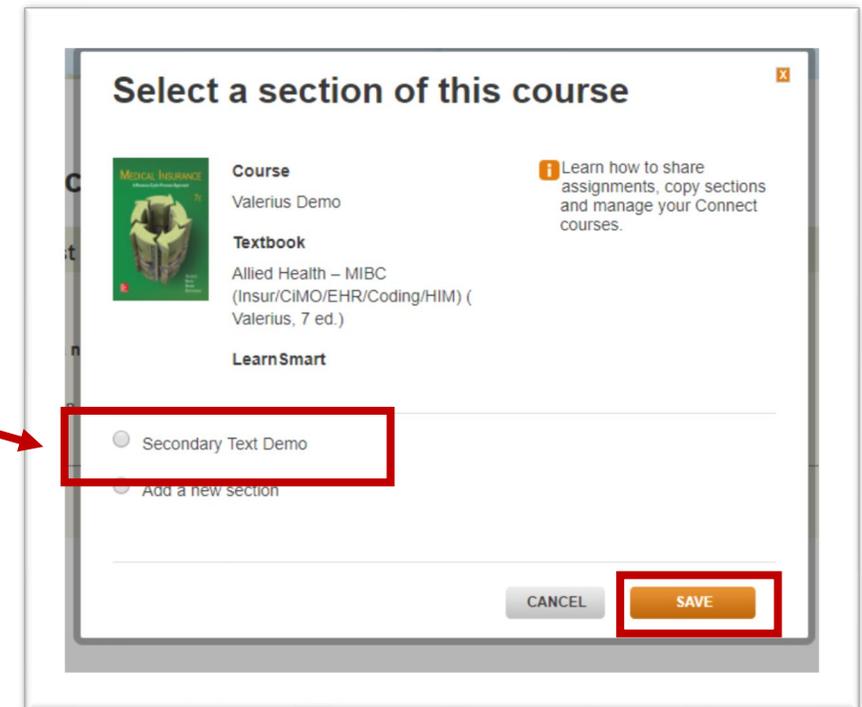

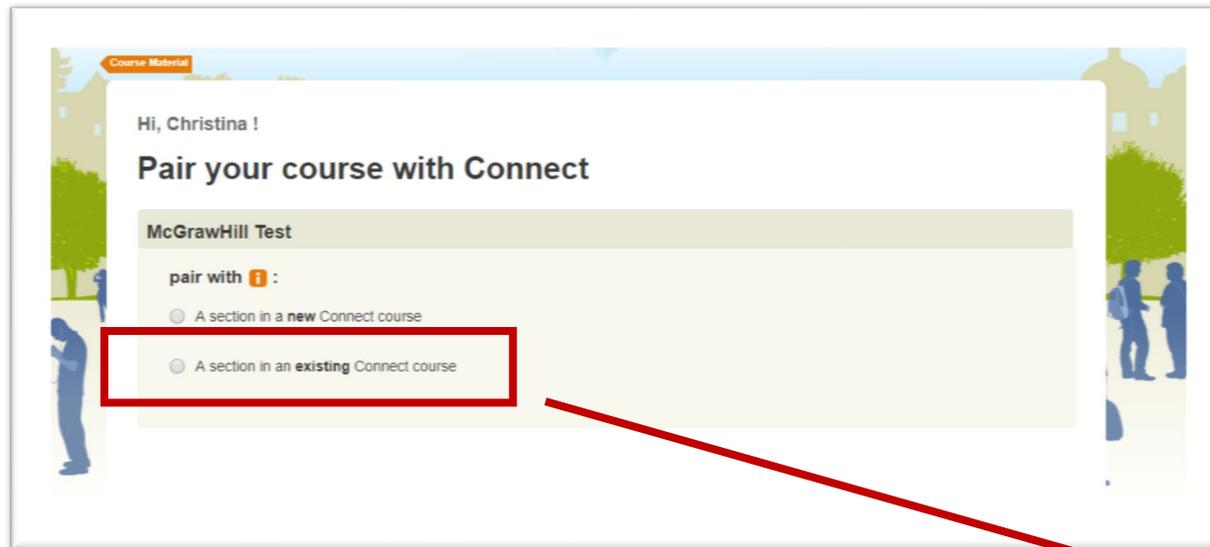

- Medical Insurance
- Connect is discounted for students who have purchased a new book with a Connect access code
- Connect for this course/title can be purchased standalone

At the bottom of the modal, there are two buttons: "Cancel" and "Adopt Connect". The "Adopt Connect" button is highlighted with a red box. A red arrow points from the "I want this for my students" button in the main interface to the "Adopt Connect" button in the modal.

SmartBook ONLY

Step 7: Choose the option *A section in an existing*  
*Connect course*

Step 8: Select Connect section and click *SAVE*

**Step 9:** Once you receive pairing confirmation your Blackboard course has been paired with the secondary text, click *go to section home page* in order to begin using Connect

The screenshot shows a user interface for pairing a course with Connect. At the top, there is a blue tab labeled 'my courses' and a heading 'pair your course with Connect'. Below this is a green banner that says 'you're done!'. The main content area is divided into two columns. The left column is for 'McGraw-Hill Campus' (McGrawHill Test) and includes a link to 'return to McGraw-Hill Campus'. The right column is for 'Connect' (Secondary Text Demo (Valerius Demo)) and includes a link to 'go to section home page'. In the center, a yellow padlock icon with the word 'paired' below it is flanked by two grey arrows pointing towards it. Below the main content is a grey banner that says 'here's what you can do next'. Underneath, there are two sections: 'learn how to use Connect' with a link to 'go to Connect Quick Guides', and 'tell your students to register for Connect' with a list of three numbered instructions and a link to 'print these instructions'. The instructions are: 1. Log in your institution website. 2. Click on the McGraw-Hill Campus link on your institution or course page. 3. Click on the Connect textbook for this course and follow the on-screen instructions. A small image of a textbook cover for 'Medical Insurance (Valerius, 7th ed.)' is shown next to the third instruction.
