### Part II: Download the ReadAnywhere App

7. Download the ReadAnywhere app from your app store. Enter your Connect login information and click Sign In.

8. Select the appropriate book from the list of available titles.

9. Click the menu icon in the top right-hand corner.

10. Click either **Download All** to download the entire book, *or* click the icon to the right of the chapter to download just that chapter.

### You are now finished!

Once the material is downloaded, it will appear in blue. You can click on downloaded content while you are offline to access the book.
