# Results Tab

In this tutorial, we'll discover how to view your grades.

Begin by navigating to the upper left corner of your home page and click on the Menu icon. Next, click on the Results tab and select your course.

# Viewing Results

On your course results page, you'll see a list of your graded assignments, scores and number of attempts.

Your score will be provided in either points, percentages, or both—depending on how your instructor set up the course.
